ACADEMIC SUPPLEMENT

Unmasking Bipolar Disorder: Overcoming the Barriers to Treatment Success

Introduction

E. Hollander

Bipolar Disorder: A National Health Concern

R.S. McIntyre and J.Z. Konarski

Safety Considerations in Pharmacotherapy of Bipolar Disorder

P.S. Masand, F.S. Fazal, and A.A. Patkar

The Role and Impact of Psychotherapy in the Management of Bipolar Disorder

M.W. Otto and D.J. Miklowitz

This academic supplement is based on proceedings from the industry-supported symposium "Unmasking Bipolar Disorder: Overcoming the Barriers to Treatment Success" presented at the 157th Annual Meeting of the American Psychiatric Association, held May 1–6, 2004, in New York City. The APA was not involved in, and received no commercial support for, the development of this product and does not award CME credit for this program.

Faculty Affiliations and Disclosures

Farhan S. Fazal, MBBS, is clinical research assistant in the Department of Psychiatry at Thomas Jefferson University in Philadelphia, Pennsylvania. He reports no affiliation with or financial interest in any organization that may pose a conflict of interest.

EDITORIAL MISSION

CNS Spectrums' editorial mission is to address relevant neuropsychiatric topics, including the prevalence of comorbid diseases among patients, and original research and reports that emphasize the profound diagnostic and physiologic connections made within the neurologic and psychiatric fields. The journals' goals is to serve as a resource to psychiatrists and neurologists seeking to understand and treat disturbances of cognition, emotion, and behavior as a direct consequence of central nervous system disease, illness, or trauma.
