1. Communications for the *Proceedings* should be sent to one of the above, or to *The Philosophical Library, Cambridge*.

2. Three parts of the *Proceedings* are issued during the year.

3. Papers occupying more than twenty pages of print can only very rarely be accepted.

4. Authors of papers are informed that the Illustrations and Diagrams are executed as far as possible by photographic 'process' work; drawings should be on a large scale and on smooth white Bristol board in Indian ink.

Authors may receive, on request, fifty offprints of a paper in the *Proceedings* without charge.

5. Authors are particularly requested to prepare their manuscripts in a form suitable for printing. In the event of a large number of corrections being necessary in the proofs, the Council reserves the right to make a charge towards the cost of revision.
