JORGE LUIS BORGES: **Selected Poems 1923-1967**

Edited by Norman Thomas di Giovanni

The only comprehensive edition of Borges' poetry, with English and Spanish on facing pages, this volume includes a foreword by Borges, an introduction by di Giovanni, notes, index, alternate readings, and bibliographical information. \$2.95

"Represents Borges at his best."—Saturday Review

POEMS OF MAO TSE-TUNG

Translated, with Introduction and Notes, by Hua-Ling Engle and Paul Engle. Here, in an excellent translation, are all the available poems of Mao. His poetry constitutes a personal and political autobiography that spans forty years—from his student days to his present position of awesome power. This edition offers the most extensive background available; the full introduction and notes give historical, mythological, literary and political details that allow the poems to be read on all levels. \$2.45

TROUSERED APES Sick Literature in a Sick Society

Duncan Williams

Professor Williams' *Trousered Apes* are the violent, neurotic anti-heroes of contemporary literature and they reflect, as do all heroes, the culture of their time. They also presage its future. It is the author's thesis that a race which mocks its ideals and institutions through the glorification of violence and pornography cannot survive. The target of controversy when it was first published in England, the book was ignored in that country's leading periodicals and journals until C. P. Snow hailed it as a book of great importance and it began to draw wide critical acclaim. It was later nominated as Book of the Year by three major English papers. \$2.25

"Witty, erudite, passionately felt . . . perhaps the beginning of a major argument of the '70's."—C. P. Snow

"Trenchantly argued, richly documented . . . ranges over contemporary morals, politicals, and culture."—Wall Street Journal

indispensable to the study of the literature of this century!

A new, unique reference work

**Articles on Twentieth Century Literature:
an Annotated Bibliography,
1954-1970**

by David E. Pownall

This major reference work, an annotated bibliography of journal articles, provides ready access to more than 22,000 articles concerned with contemporary literature throughout the world.

The work is conveniently organized. Volumes 1-6 are arranged by author with sub-headings for the individual works. Volume 7 is classified by general literary subject and also contains the index.

Hundreds of articles are reported for the major authors of this century with William Faulkner, Henry James and James Joyce each having well over five hundred articles about their works reported. Auden, Forster, Garcia Lorca and Gide have each at least one hundred articles listed. Other authors are

represented in proportion to the amount of academic discussion and controversy they generate.

7 volumes \$195.00

ELIOT IN HIS TIME
 Essays on the Occasion of the
 Fiftieth Anniversary of THE WASTE LAND
 Edited by A. Walton Litz

A. Walton Litz • Hugh Kenner • Richard Ellmann
 • Helen Gardner • Robert Langbaum • Robert M.
 Adams • Michael Goldman • Donald Davie. Break-
 ing the critical orthodoxy of the last three decades,
 eight experts in the field offer a major reevaluation
 of this complex modern master, with the principal
 focus on *The Waste Land*. \$8.50

**THE LITERARY IMPACT OF
 THE GOLDEN BOUGH**

John B. Vickery

The culmination of a century of investigations into
 myth and ritual, Sir James Frazer's great study was
 one of the works that, in Eliot's words, "made the
 modern world possible for art." John Vickery con-
 sideres the extent of *The Golden Bough's* influence
 throughout the humanities and social sciences and
 its intellectual, thematic, and formal impact on
 Yeats, Eliot, Lawrence, and Joyce. Cloth \$16.50
 Limited paperback \$8.50

**EZRA POUND AND THE
 TROUBADOUR TRADITION**

Stuart Y. McDougal

"[McDougal's] detailed analyses of individual trans-
 lations and poems demonstrate how the poetry of
 Provence influenced the attitude, the content, and
 the musicality of Pound's verse."—*Library Journal*

CHAUCER and THE MEDIEVAL BOOK

by Beverly Boyd

Here in a single volume a wealth of information has been brought together concerning manuscripts and early printed books of the late middle ages. Although Chaucer is a central figure, the book does not confine itself to the poet and his works, but goes farther afield to consider manuscripts and the materials from which they were made, binding, manuscript art, and early printing, especially the work of William Caxton. There are twelve plates, and for those showing manuscript or printed pages the author has provided transcriptions. The story is told in brisk and lucid style. The essays all pertain to Chaucer and his works, but they will prove useful in connection with any study of the literature of medieval England—or, indeed, to any layman reading for interest and enjoyment.

PARNASSUS REVISITED

Modern Critical Essays on the Epic Tradition

Anthony C. Yu, editor

In this vital and stimulating anthology, eighteen distinguished critics, representing the best of modern scholarship, examine the nature of the epic. Among the contributors are C. S. Lewis, E. M. W. Tillyard, Northrop Frye, Erich Auerbach, Simone Weil, C. M. Bowra, and George Steiner. Professor Yu's selections from their works focus upon the important analytical tools which these critics have devised to study and clarify the epic poetry of the Western world. \$14.00, paperback \$7.00

Now language learning can be a joyous adventure, and the teaching of language a rewarding achievement. In this one new volume you will find detailed discussion of all the methods, techniques, and ideas that make it possible.

**Every Good Teacher
Wants to Be
Even More Effective**

Regents Publishing, long known throughout the world for fine books and materials for teaching English as a second language, wants to help you . . . and now we can, more than ever, by bringing you

**The Foreign Language Learner: A Guide for Teachers
By Mary Finocchiaro and Michael Bonomo**

This is a book for teachers—not for other linguists. The work of authors who have both extensive theoretical knowledge and years of practical teaching experience in public schools and universities, The Foreign Language Learner is a thorough, unified description of the whole field of teaching language from the point of view of student learning.

Mary Finocchiaro, the senior author, began as a language teacher in the New York City public schools, rose to principal, and is now Professor-Emeritus of Education at Hunter College and Specialist in Language and Linguistics for the U.S. Department of State; she is past President of TESOL. Michael Bonomo is a Lecturer in Language Teaching and Education for the City University of New York and an instructor in Foreign Languages for the New York City schools.

The teacher who is eager to improve general effectiveness will find the book provides complete coverage of all aspects of classroom teaching, from how to construct lesson plans and prepare for class to dealing effectively with parents and colleagues.

The teacher with a specific problem such as developing writing fluency will find complete, practical suggestions for a variety of approaches on what to do, how and when to implement it, why it will work, and how to evaluate it.

At last the dedicated teacher, frustrated by dense scholarly books on linguistics, can find practical, specific guidance in opening the door to language mastery.

TIME, TIDE, and TEMPEST

A Study of Shakespeare's Romances

by Douglas L. Peterson

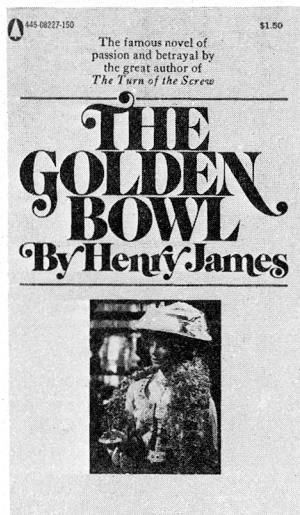

The aim of this book is to reclaim the romances for the contemporary audience. The author's belief is that in these last plays Shakespeare deliberately chose a radically different dramatic mode as a means of expressing some of the problems of his earlier plays. The romances are not concerned with verisimilitude and probability. Unlike the tragedies, they keep the audience at a distance emotionally; indeed, each play contains devices which call attention to the play itself as a work of art. But they do interest themselves in the same basic forces that animate many of the other plays, and once this is understood they can be appreciated for the works of art that they are.

RONALD

THIRD EDITION of "a superb anthology"*

BREDVOLD - MCKILLOP - WHITNEY - BULLITT

Eighteenth Century Poetry and Prose

Edited by **Louis I. Bredvold**, University of Michigan; **Alan D. McKillop**, Rice University; and **Lois Whitney**, Russell Sage College

Third Edition prepared by **John M. Bullitt**, Harvard University

"The most capacious and, to my mind, the best-balanced of all anthologies for the period. I particularly welcome the large amount of the major intellectual prose (for example, that of Burke), which has been slighted in earlier anthologies."

—Prof. W. J. Bate, Harvard University

"A great text. The best in its field."

—Prof. Walter B. Kelly, University of Virginia, Mary Washington College

"This is a full, balanced, and informative anthology, once again the product of sound editorial judgment."

—Prof. Otto Reinert,
University of Washington

"I like the new format, particularly having the notes at the foot of the page, and am pleased with the additions . . ."

—Prof. K. W. Graham,
University of Guelph

"A fine collection. The new edition is admirable in its coverage of both major and minor figures."

—Prof. George S. Peek,
Arkansas State University

"It's a classic text made even more useful by the revisions."

—Prof. Robert L. Haig,
University of North Carolina

*"Bullitt's revision has resulted in a superb anthology."

—Prof. Samuel N. Bogorad,
University of Vermont

"As always, EIGHTEENTH CENTURY POETRY & PROSE is the best all-round text in the field. The Third Edition only improves on an already excellent text. Congratulations!"

—Prof. Michael Peplow,
Lock Haven State College

Third Edition, 1973

1,470 pages

NO MORE MASKS!

Edited by Florence Howe and Ellen Bass. The only comprehensive anthology of poetry by and about 20th century American women. Among the 89 poets represented are such well-known writers as Amy Lowell and Sylvia Plath, along with many young and previously unpublished poets. An Anchor Original. Paperbound, \$3.95

LYRICS OF THE TROUBADOURS AND TROUVERES

GERMAN AND ITALIAN LYRICS OF THE MIDDLE AGES

Original texts, with translations and introductions by Frederick Goldin. Designed as comprehensive sourcebooks for the student of medieval literature, these books present a complete selection of courtly lyrics from the French, Provençal, German, Italian traditions, supported by sound and scholarly translations, annotations, bibliographies, and guides to pronunciation. Anchor Originals. Paperbound, *Troubadours*, \$5.95; *German and Italian*, \$4.95

THE COUNTERFEITERS

By Hugh Kenner. Focusing on the literature of the 18th century, when the "counterfeit tradition" came to its fullest fruition, this freewheeling study ranges from Jonathan Swift to Buster Keaton. "A lesson in how to 'see . . . a magic book'" (*N.Y. Times Book Review*). Paperbound, \$1.95

NEW WORLDS FOR THE OLD

The Apocalyptic Imagination, Science Fiction, and American Literature

By David Ketterer. An engaging analysis of modern science fiction, emphasizing the particularly American nature of the genre. The examination establishes a critical framework for future consideration of science fiction and affords a fresh perspective on American literature. An Anchor Original. Paperbound, \$1.95

THE POETRY OF THE NEGRO 1746-1970

Edited by Langston Hughes and Arna Bon-temps. A revised and updated edition of the most comprehensive and popular collection of poetry by and about Black Americans. Hardcover, \$8.95; paperbound, \$4.95

Doubleday & Company, Inc.
Garden City, New York 11530

You and 400,000 other scholars have been working toward this day for 112 years.

Congratulations.

At Xerox University Microfilms we have compiled a comprehensive 37 volume index to virtually all of the 400,000 dissertations accepted in the American doctoral programs since they began in 1861.

This new and unique edition, the *Comprehensive Dissertation Index* (CDI), provides the only single source access to this wealth of diverse doctoral research, simply, quickly and conveniently.

Because CDI comprises both a subject index and an author index, it can take less than three minutes to find a particular dissertation. Any dissertation.

By consulting the appropriate subject volume, one can readily find a listing of all of the dissertations ever written in a particular field of study, the dates they were written, the authors, the institutions, and the degrees granted. Each entry will also indicate if the abstract of the dissertation has been published in *Dissertation Abstracts International*, and if a copy of the dissertation is available from Xerox University Microfilms.

With the publication of CDI and its annual update supplements, a new source of major information is open to scholars, researchers, doctoral candidates, and graduate school advisors alike. And it works for you whether you have the entire set, the author index, or simply a single volume on your particular field of interest.

CDI. A lot of work done by a lot of people to help make things a lot easier for you.

Victorian Prose: A Guide to Research

Edited by David J. DeLaura

The University of Texas

In the revival of serious interest in all things Victorian in the past two decades, the high artistry of the great nineteenth-century prose "sages" has been thoroughly established. The Victorian prose prophets, despite their very different individual points of view, turned their attention to a set of problems that have continued to absorb all serious modern readers—problems as pressing as pollution, the condition of the worker in the modern industrial process, and the role of an educated elite in a democratic society. The central role of these Victorian sages in establishing a continuing "humanistic" attitude in modern life—conservative in its concern for preserving the best values of the older culture, yet aware of the need for new and even radical solutions to the "human problem" in a new society—has been thoroughly demonstrated in recent years.

This volume advances our understanding of this highly significant and talented body of work, first by summarizing and criticizing modern studies in the field, and second by suggesting neglected aspects of thought and artistry worthy of the attention of future scholars and critics. Thirteen scholars, many of them well-known experts in Victorian studies, have here synthesized, criticized, and extended our understanding of this large and continuingly relevant body of work. Individual chapters are devoted to the major figures: Carlyle, Macaulay, Newman, Mill, Ruskin, Arnold, and Pater. Four omnibus chapters bring together a wide range of further topics: the Critics, the Unbelievers, the Oxford Movement, and Victorian Religion.

This volume will prove indispensable to all serious students of the literature, history, and culture of nineteenth-century England.
