Many participants listening to official speeches by the Préfet, Edith Falgarone, and the city representative in the Salon of the Préfecture.

A friendly group at the Préfecture: Pat Thaddeus, Edith Falgarone and Phil Solomon above a picture of Alex Dalgarno and other astronomers applauding officials.

Top: Part of the organizing team ready to welcome participants: Alain Castets, Laurent Pagani and Claude Vianey-Liaud. Bottom: The Local Organizing Committee enjoying a "raclette" in Chamrousse: Elizabeth Palleau, Gisela Matoso, Claude Vianey-Liaud and Françoise Bouillet entertaining Laurent Pagani.

The youngest participants: Jean Terebey - van Buren accompanied by his father Dave (top). Too late for Elisabeth Keene - Phillips leaving the party with her parents.

The many uses of a TAG (public transportation company in Grenoble) ticket by Don Cox. Do you remember what he said?

Who are they? Irina Val'tts (top), Vladimir Burdyuzha (forefront) and Gueorgui Rudnitskii from Moscow.

At the beginning of the party at Chamrousse. René Laureijs and Patrick Boissé (right).

Scientific discussions days and nights. Night side: Bruce Elmgreen pointing his hands at Alexander Dudorov. Day time: Gilles Joncas and Don Cox looking at ... "H I channel maps".

Alain Omont talking over Yasuo Fukui and Al Wootten on the foreground. Top: Jean-Loup Puget with a flowered beard.

Ventaraman Radhakrishnan and Sachiko Okumura. Bottom, from left to right: Bruce Elmegreen, Richard Larson, John Black, M.R.W. Masheded, and Bruce Draine.

Happy participants: Phil Myers (top), Jacques Lépine, Lili Ephik, and Kazuyoshi Sunada.

Carl Heiles, Edith Falgarone and John Bally exchanging views. Alan Glassgold talking to Pat Thaddeus.

Further into the party: Malcolm Walmsley (top), Tom Troland with opened hand and Carl Heiles.
