- 99 Melancholic Subtyping: A Qualitative or Quantitative Distinction? *Mark Zimmerman, William Coryell, and Bruce Pfohl*

# The Retreat, York

## for Psychiatric Illnesses

Founded in 1792 by the Quaker, William Tuke, who established the tradition of concern for patients as individuals The Retreat is a 200-bedded private registered nursing home surrounded by extensive grounds on the outskirts of the historic City of York. It is easily reached by rail and motorways.

Care and treatment is offered for all types of psychiatric illness on the short or long term in a sympathetic and friendly atmosphere. Patients suffering from neuroses, psychoses, alcoholism and dementia are treated by the full-time consultant psychiatrists in surroundings suitable for their individual needs. Outpatient facilities are available by appointment with the consultant medical staff.

The Nursing Home is a registered charity and is able to offer inclusive care in shared accommodation from £32.00 per day or in single rooms at slightly increased charge. The Nursing Home is recognised by the main private patient schemes.

For further details apply to The Medical Director, The Retreat, York YO1 5BN (Telephone 0904 412551).
