Be ready.

When your client's commercial dispute takes you far from home, you'll be ready.

You'll have the Westlaw[®] International Commercial Arbitration service (ICA). It provides access to more than 100 international arbitration databases from a single tab on your desktop.

ICA gives you rules of procedure, model clauses and laws, multilateral treaties, and awards from key arbitral institutions. You'll get journals, law reviews, and internationally recognized texts such as Redfern and Hunter's *Law and Practice of International Commercial Arbitration* and *Domke on Commercial Arbitration*.

And because ICA is available on Westlaw, all the databases you need are interlinked and cross-referenced. Texts and select institutional materials are linked to caselaw and legislation from Australia, Hong Kong, Canada, the UK, USA, and other key jurisdictions.

Get the international commercial arbitration tools you need, when and where you need them. **Get ICA.**
