

Joyce, Yan Kon and Geraldine Holt, is a training pack for staff working with people who have a dual diagnosis of mental health needs and learning disabilities. Further information: Customer Services, Pavilion Publishing (Brighton) Ltd., 8 St George's Place, Brighton, East Sussex BN1 4GB (telephone 01273 623222; fax 01273 625526).

The Survivors' Guide to Training Approved Social Workers has been published by the Central Council for Education and Training in Social Work (CCETSW) and costs £6. It is available from Publication Sales, CCETSW, Derbyshire House, St Chad's Street, London WC1H 8AD (telephone 0171 278 2455; fax 0171 278 2934).

Medicycle

Medicycle is a handy, portable wheel in three sections, two on one side and one on the other, dealing with the pharmacological stabilisation of patients with schizophrenia; the first section is the acute phase, the second is the stabilisation phase and the reverse side is the intractable phase. The wheels are accompanied by an instruction sheet and are available free of charge (one per applicant) from Dr Mike Launer, Consultant Psychiatrist, Burnley General Hospital, Casterton Avenue, Burnley BB10 2PQ (telephone 01282 474736; fax 01282 474743). Supplies are limited.

Corrigendum

Psychiatric Bulletin, May 1995, **19**, 332.
Elections to the Fellowship, 1995. Dr U. B. H. Baruch's name was mis-spelt.
