Ed. Hans Küng; Yves Congar, O.P.;

Daniel O'Hanlon, S.J.

What was actually said? Three famous theologians have selected the best of the speeches made at the Council.

Speakers include:

Pope Paul VI, Cardinals, Suenens, Leger, Bea, Archbishops, Patriarch Maximos IV, Hurley, Heenan, Tracy, and very many others.

Here are speeches which may be said to be ultimately responsible for much of the modern Christian revolution.
