## The Great State of White and High

BUDDHISM AND STATE FORMATION IN ELEVENTH-CENTURY ZIA

Ruth W. Dunnell

"Ruth Dunnell stands alone in the United States in the field of Tangut studies. *The Great State of White and High* illuminates a much neglected but extremely important period of China's interaction with inner Asia."—*Evelyn S. Rawski, University of Pittsburgh* \$49.00, cloth

## Unruly Gods

DIVINITY AND SOCIETY IN CHINA

Edited by Meir Shahar and Robert P. Weller

"What this book wonderfully reveals is the wild untrammelled variety of Chinese myths and symbols, uncontrolled by either church or state. Religion is a field for the projection of human imagination according to the needs, hopes, and fears of its participants. In the Chinese case this process is relatively transparent, which makes this study of great value for our understanding of religion elsewhere."—*Daniel L. Overmyer, University of British Columbia* \$32.00, cloth

## Great Fool

ZEN MASTER RYŌKAN—POEMS, LETTERS, AND OTHER WRITINGS

Translated and with introductions by Ryūichi Abé and Peter Haskel

Taigu Ryōkan (1758–1831) remains one of the most popular figures in Japanese Buddhist history. Despite his religious and artistic sophistication (he excelled in studying scriptures, in calligraphy, and in poetry), Ryōkan referred to himself as the "Great Fool." This is the first study in a Western language to offer a comprehensive picture of the legendary poet-monk. \$49.00, cloth; \$26.95, paper

## Books by Masao Abe

*Buddhism and Interfaith Dialogue* and *Zen and Comparative Studies* form a two-volume sequel to Masao Abe's award-winning comparative study *Zen and Western Thought*.

## The Attic

Memoir of a Chinese Landlord's Son

Guanlong Cao

Translated by Guanlong Cao and Nancy Moskin

"In this poignant and moving memoir, Guanlong Cao has captured the beauty and the cruelty, the mundane and the memorable, in prose that is deceptively sparse. With uncommon wit and an eye for the bizarre, he has created a haunting image of contemporary China." —Howard Goldblatt,  
editor of *Chairman Mao Would Not be Amused*

## Remapping China

Fissures in Historical Terrain

*Edited by Gail Hershatter, Emily Honig, Jonathan Lipman, and Randall Stross*

This stimulating collection of essays traces the intellectual trajectory of the field of modern Chinese history over the past two decades. Topics include histories of public health, emotional life, law and sexuality, notions of borders and frontiers, the relationship between native place identities and nationalism, the May Fourth Movement, and the periodization of the Chinese revolution.

## Divided Sun

MITI and the Breakdown of Japanese High-Tech Industrial Policy, 1975-1993

*Scott Callon*

Despite widespread claims to the contrary, Japan's high-tech industrial policies over the last two turbulent decades have proved to be neither cooperative nor successful. This book focuses on MITI and Japan's giant electronics firms—their ambitions and conflicts—to show that the policymaking process is torn by conflict and competition.

## **The Legacy of Tiananmen**

**China in Disarray**

Journalist James A. R. Miles has listened to the powerful in Beijing and peasants in the countryside, and from those conversations reveals a China that is at least as volatile as it was at the outset of the Tiananmen Square protests.

"James Miles has written a fascinating, sobering book that contrasts with much of the conventional wisdom on China. . . . [His] argument needs to be considered by all those who think about the future of the world's largest country and its potential impact on the rest of us."

—*Kenneth Lieberthal*

"Miles's book is extremely lucid, coherent, and well-written. Its controversial main theme—that China is a country in deep trouble and may very well not survive a fractious succession struggle after Deng's death—is argued with persuasive force on many different societal levels."

"The definitive version of a strange ... and entirely captivating novel.  
The translation seems perfect."

Donald Richie in *The Japan Times*

"A lively, well-told story the ending of which,  
unlike endings to much Japanese fiction, is very effective....  
We must be grateful to have, at length, a full translation  
from the skillful hand of Burton Watson."

## MODERN TIMES:

A BRIEF HISTORY OF ENLIGHTENMENT

Translated by Douglas Lancashire

ISBN 962-7255-16-5 US\$55

Completed in 1905, *Modern Times* is representative of the many "political novels" written in the decade before the fall of the Qing dynasty which exposed China's ills and lobbied for change. The struggle that the novel outlines between reformers and conservatives, between modernization and bureaucracy, has telling parallels with today's China.

NEW FROM OXFORD UNIVERSITY PRESS

# A NEW HISTORY OF INDIA

*Fifth Edition*

STANLEY WOLPERT

Half a century of freedom has tripled India's population, more than quadrupled its gross domestic product, and lifted its economy in the last five years alone, creating an India that is enjoying all the pleasures and pains of modern Western life. Now in its fifth edition, this most readable and illuminating one-volume history of India brings readers up to date on the current developments of today's affluent India. Wolpert places these developments within the context of India's 4,000 years of continental continuity and communal complexity. No other history records as brilliantly, nor as truthfully, the brightest achievements of Indian civilization and the dark depths of its socio-sexual inequities and economic-political corruption.

## PEOPLE'S CHINA

A Brief History

*Second Edition*

CRAIG DIETRICH

"A lucid introduction to the tumultuous history of China since 1949....The narrative is useful and rich inasmuch as it traces these campaigns quite vividly ....The account given in the book is well balanced and is not biased against any particular school....The author provides the reader with an extremely useful reading list.

And the excellent portraits of Chinese leaders...and the graphs...add considerably to the value of this extremely useful volume."—*International Studies*

## Friends or Rivals?

### *The Insider's Account of U.S.-Japan Relations*

MICHAEL H. ARMACOST

"Armacost provides us with deep insight into a critical period of change in U.S.-Japan relations. He brings to his task the eye of a central participant and a trained, professional, and brilliantly analytical mind. Everyone interested in this subject can learn from reading Armacost's hard-nosed answers to the question: friends or rivals?"

—George P. Shultz,

former Secretary of State

272 pages / 16 photos / \$24.95, cloth

## The Blue-Eyed Tarokaja

### *A Donald Keene Anthology*

EDITED BY J. THOMAS RIMER

Donald Keene, the preeminent Western authority on Japanese literature, presents here a fresh and personal insight into his prolific career as writer and translator, traveler and social observer. This enchanting collection of personal essays and literary vignettes, based on a lifetime of observation on things Japanese, includes many short works available for the first time in English.

320 pages / \$24.50, cloth

## Pacific Passage

### *The Study of American-East Asian Relations on the Eve of the Twenty-First Century*

EDITED BY WARREN I. COHEN

"An essential volume for general public and scholars alike, *Pacific Passage* marks the third decade in which the field of U.S.-East Asian relations has critically examined itself. It makes a major historiographic contribution, opening new areas of study and examining old ones in the light of new research."

—Marilyn B. Young,

New York University

*A Study of the East Asian Institute*

352 pages / \$18.00, paper / \$40.00, cloth

## Spirited Women

### *Gender, Religion, and Cultural Identity in the Nepal Himalaya*

JOANNE C. WATKINS

"A fine study of the women and men in long-distance trade from the remote interior of Nepal to Kathmandu and to Bangkok, Singapore and Hong Kong—a welcome contribution to our developing understanding of gender, agency, religion, and change, and to the literature on ethnicity, commerce, and globalization."

—Robert L. Winzeler,

## The Cold War on the Periphery *The United States, India, and Pakistan*

ROBERT J. MCMAHON

"The author, an American historian who has combed the archives, argues that the U.S. alliance with Pakistan in 1945 was a monumental strategic blunder that increased Indo-Pakistani hostility, undermined regional stability, and led India to seek closer ties with the Soviet Union. . . . This study is a model of its kind and, whether one accepts the conclusions or not, it sheds a good deal of light on center-periphery relations during the Cold War."

—*Foreign Affairs*

## Chuang Tzu: Basic Writings

TRANSLATED BY

BURTON WATSON

"Burton Watson . . . possesses all the qualities which distinguish a master translator. As a craftsman and as a poet, he has inspired and challenged two generations."

—*Asian Affairs*

## Modern Japanese Tanka

### *An Anthology*

MAKOTO UEDA

*Modern Japanese Tanka* includes four hundred poems by twenty of Japan's most renowned poets.

With his graceful, eloquent translations, Makoto Ueda captures the distinct voices of these individual poets, providing biographical sketches of each as well as transliterating Japanese text below each poem. His introduction gives an excellent overview of the development of tanka in the last one hundred years.

## The Columbia Anthology of Traditional Chinese Literature

EDITED BY

VICTOR H. MAIR

"The list of translators reads like a *Who's Who* of Western sinology. This is a book one can open at any page and immediately be drawn in by its great and appealing content. It is at once a reference book, with examples drawn from the huge corpus of Chinese literature, and a book which guarantees superb reading pleasure."

### Asian Voyages

Two Thousand Years of  
Constructing the Other

By O. R. Dathorne

Dathorne pursues the phenomenon of *encounter* or *contact* as it relates to China and the Pacific Islands, calling attention to the Western habit of romancing the place while denigrating or mythologizing the people.

Bergin & Garvey. 1996. 328 pages. 0-89789-469-3. \$59.95.

### Unmasking Japan Today

The Impact of Traditional Values  
on Modern Japanese Society

By Fumie Kumagai

With the assistance of Donna J. Keyser

Based on a dual perspective that incorporates modern Western capitalism into Japan's traditional agrarian society, this book reveals a complex of cultural assumptions that determine the manners and customs of the Japanese people.

## Writing Ground Zero

*Japanese Literature and the Atomic Bomb*

**John Whittier Treat**

“Treat points out in his excellent book *Writing Ground Zero*, a critical discussion of Japanese writing about the bomb, the Christian idea of martyrdom was not the only response of Nagasaki bomb survivors. [He] contrasts . . . Christian idealism with the existential despair of . . . non-Christian writers.”—Ian Buruma, *New York Review of Books*

## Clothing Matters

*Dress and Identity in India*

**Emma Tarlo**

“This serious and rigorous book, so delightfully informed by a playful sensibility, demonstrates how our quotidian decision of what to wear has profound anthropological and sociological implications, as well as psychological and political ramifications.”—Lee Siegel, University of Hawaii

\*Paper \$23.95 320 pages 90 b&w photographs, 38 line drawings

## The Colors of Violence

*Cultural Identities, Religion, and Conflict*

**Sudhir Kakar**

Kakar exposes the psychological roots of Hindu-Muslim violence and examines the subjective experience of religious hatred in his native land. With honesty and insight, he offers an understanding the ethnic-religious conflict that has vexed social scientists throughout the world.

\*Paper \$14.95 232 pages

## Nietzsche and Asian Thought

**Edited by Graham Parkes**
