## Secondary School Reform In Imperial Germany

*James C. Albisetti*

"The first comprehensive and archivally based account of the modernization of secondary education, this book revises our understanding of the possibility of reform in Imperial Germany."

—Konrad H. Jarausch, *University of Missouri, Columbia*

**in Biography**  
*H.G. Haile*

"Professor Haile provides an astute assessment of Luther's vigorous later years which is sure to stir up controversy, especially since it is written with an engaging ebullience suggesting Luther's own yeasty style." —Walter J. Ong, S.J., *Saint Louis University*  
Paper, \$9.95. Cloth, \$30.00
