PROCEEDINGS BUSINESS MEETING on 21 August 2006

1. Introduction

Commission 33 held a brief business session on 21 August within the science session organized jointly with its parent Division VII.

2. New Commission Organizing Committee

The meeting approved the following new Organizing Committee for the Commission: Ortwin Gerhard (president, Germany), Rosemary F. Wyse (vice-president, USA). Members: Yurij N. Efremov (Russia), Wyn Evans (UK), Chris Flynn (Finland), Jonathan E. Grindlay (USA), Joseph Lazio (USA), Birgitta Nordström (Denmark), Patricia A. Whitelock (South Africa), and Chi Yuan (Taiwan).

3. Science session: new results on the Galactic Centre

Details of the presentations given at this very successful meeting are given in the report from Division VII.

Patricia A. Whitelock
president of the Commission
