WORLD HEALTH AND WORLD POLITICS

*The World Health Organization and
the UN System*
by Javed Siddiqi

A report card for one of the United Nations' most important agencies.

"Siddiqi has shown that world health and world politics are indeed inseparable. At the same time, he has rightly separated charges of politicization from alleged ineffectiveness." — Yves Beigbeder, author of *Management Problems in United Nations Organizations*

GLOBAL GOVERNANCE

A Review of Multilateralism and International Organizations

Launched in February 1995, *Global Governance* provides a much-needed forum for practitioners and academics to discuss the impact of international institutions and multilateral processes on: economic development; human rights; peace and security; and the preservation of the environment.

The editors and editorial board are committed to ensuring that the journal has a truly global focus, and contributions will be published from a wide range of multidisciplinary and multicultural perspectives. In particular, *Global Governance* welcomes articles challenging the conventional wisdom, whether written by scholars or by practitioners.

CORNELL STUDIES IN POLITICAL ECONOMY

a series edited by
Peter J. Katzenstein

Winners and Losers

*How Sectors Shape
the Developmental
Prospects of States*

D. MICHAEL SHAFER

What determines winners and losers in the international division of labor? In a book that reframes our thinking about success and failure in economic development, Shafer proposes a new answer: sectoral analysis. \$37.50 cloth, \$14.95 paper

The Political Economy of Policy Coordination

*International Adjustment
since 1945*

MICHAEL C. WEBB

Webb explores how the growth of international markets affected the coordination of economic policy among nations. His analysis overturns the popular assumption that policy coordination has eroded as American hegemony has receded. \$37.50

International Governance

*Protecting the Environment
in a Stateless Society*

ORAN R. YOUNG

How can the global environment be safeguarded in the absence of a world government? Young draws on environmental issues to explore the nature of international governance. \$32.50 cloth, \$13.95 paper

Enterprise and the State in Korea and Taiwan

KARL J. FIELDS

Fields explains the similarities and differences in the organization of big business in two of East Asia's powerful business groups and state bureaucracies. "A well-balanced analysis of an important aspect of industrial organization."
—TUN-JEN CHENG, College of William and Mary. \$35.00

Remaking the Italian Economy

RICHARD M. LOCKE

"An innovative and persuasive 'micro-political' interpretation that is destined to influence how scholars assess and explain economic performance in many communities well beyond the borders of Italy."
—ROBERT D. PUTNAM, Harvard University. \$29.95

International Organizations and Ethnic Conflict

EDITED BY
MILTON J. ESMAN
AND SHIBLEY TELHAMI

An overview of one of the most perplexing issues confronting the world today, this volume clarifies the changing role of international organizations in an increasingly fragmented world. "A timely and important study that significantly enhances our understanding of one of the most pressing international security challenges in the post-cold war era."
—JOHN GERARD RUGGIE, Columbia University
\$47.50 cloth, \$17.95 paper

Cooperation under Fire

*Anglo-German Restraint
during World War II*

JEFFREY W. LEGRO

Legro here offers a new understanding of the dynamics of World War II and the sources of international cooperation. "An in-depth and scholarly analysis of this provocative and heretofore under-examined subject."
—AMBASSADOR WILLIAM J. CROWE, JR.

DIPLOMATIC HISTORY

Edited by
MICHAEL HOGAN
The Ohio State University

Diplomatic History, the journal of record of the Society for Historians of American Foreign Relations, is the only journal devoted to US international history and foreign relations, broadly defined, including grand strategy, diplomacy, and issues involving gender, culture, ethnicity, and ideology. It examines US relations in a global and comparative context, and its broad focus appeals to a number of disciplines including political science, international economics, American history, national security studies, Latin American, Asian, African, and European studies.

The Harvard International Journal of

PRESS/POLITICS

Marvin Kalb and Pippa Norris, Editors

The journal is published by **The MIT Press** in conjunction with the Joan Shorenstein Center on the Press, Politics and Public Policy at the Kennedy School of Government, Harvard University.

The first issue of **Press/Politics** will be published in February 1996, with four issues per year. The editors invite academics and journalists to forward submissions on topics reflecting a broad spectrum of intellectual disciplines and practitioner experiences.

Press/Politics welcomes articles on, among other topics:

- media production, contents and effects
- the role of television, radio and newspapers in campaigns and elections
- ethical issues in journalism
- comparative studies of media systems
- technological developments and global communications
- government regulation and freedom of the press
- diversity and the press
- the interaction between the media, politics, and public policy in cross-national perspective

The journal includes three types of contribution:

- **articles** original academic research subject to blind peer review (6,000-10,000 words)
- **notes** current events, topical issues, or new developments (1,000-3,000 words)
- **current debate** brief articles expressing strong views about a current controversy (2,000-3,000 words)

INTENTIONAL OIL POLLUTION AT SEA

Environmental Policy and Treaty Compliance

Ronald B. Mitchell

Although an international treaty governs how tankers must dispose of oil, compliance has been a problem. *Intentional Oil Pollution at Sea* combines theoretical analysis with a rigorous empirical evaluation of changes in the compliance process over time and identifies policies that have increased compliance by governments and the oil transportation industry.

INTERNATIONAL ECONOMIC POLICY IN THE 1990S

William R. Cline

"This book is significant for a number of reasons. Cline integrates many of the concepts that form the basis of modern international economic policy formation and analysis into a coherent, accessible whole. The book is timely in that it focuses on important current international economic issues, yet timeless in its treatment of these issues. Cline's book will be valuable to scholars, policymakers, and businesspeople for years to come." — Michael Enright, Harvard University

MANAGING THE GLOBAL COMMONS

The Economics of Climate Change

William D. Nordhaus

"No one is better than Bill Nordhaus at combining theory with real-world practicalities in addressing the important policy issues of the day. This book is no exception. Information and insights from a number of fields are woven together to produce another policy analysis masterpiece." — John P. Weyant, Stanford University
