The Journal of Laryngology and Otology

(Founded in 1887 by MORELL MACKENZIE and NORRIS WOLFENDEN)

Edited by NEIL WEIR

Assistant Editors CAROL WENGRAF, RICHARD RAMSDEN, PETER RHŶS EVANS,
DAVID PROOPS, VALERIE LUND, HENRY GRANT, ANDREW JONES, GUY KENYON &
MICHAEL ROTHERA

Production Editors GILLIAN GOLDFARB & JENNIFER ALMOND

INSTRUCTIONS FOR AUTHORS

1. Original articles which have not been published elsewhere are invited and should be sent to the Editor. They are considered for publication on the understanding that they are contributed to this *Journal* solely. Reproduction elsewhere in whole or in part, is not permitted without the previous written consent of the Author and Editor and the customary acknowledgement must be made. Normally an original main article should not exceed 7500 words.

Longer articles or theses will be considered for publication as *Supplements*, at the expense of the authors or their employing authorities.

2. Manuscripts should be **typewritten** in **duplicate** on one side of the paper only (A4 297 × 210 mm) and double spaced, with wide margins.

Begin each component on a new page in the following sequence: title page, abstract, text, acknowledgements, references, tables and legends.

(a) **Abstract**—This should contain not more than 150 words and include a statement of the problem, the method of study, results and conclusions; a 'summary' section should **not** be included in the main manuscript.

(b) **Key Words**—Only those appearing as Medical Subject Headings (MeSH) in the supplement to the Index Medicus may be used; where no appropriate word(s) are listed those dictated by common sense/usage should be supplied.

(c) **Text**—Suggested outline—(1) introduction, (2) materials and methods, (3) results, (4) discussion, (5) conclusion.

(d) **Tables** are adjuncts to the text and should not repeat material already presented.

(e) **Illustrations**—Two sets of illustrations, one with each copy of the manuscript, must be submitted and all authors should remember that the single column width is 80mm. One set of illustrations should, therefore, not exceed this width and they should ensure that the essential features are illustrated within this dimension.

Coloured illustrations will be charged to authors, unless a special grant is authorized by the Editor.

Written permission from the publisher must be provided to the *Journal* in order to republish material with copyright elsewhere and also from the senior author where necessary.

(f) **Measurements** must be in metric units, with *Système Internationale* (SI) equivalents given in parentheses.

(g) **References**—For *Journal* articles, The Harvard system of recording references should be used, e.g. Green, C. and Brown, D. (1951) The tonsil problem. *Journal of Laryngology and Otology* **65**: 33–38. A paper written by more than two authors should be abbreviated in the text, e.g. Green *et al.* (1951), but *all* the authors should be given in the list of references. The titles of all Journals should be given without abbreviation. **References should be listed in alphabetical order**; use of the Vancouver system will **not** be accepted.

For single-author books, the following style should be used: Green, C. (1951) *The tonsil problem*, 2nd Edition, vol. 1, Headley Brothers Ltd., Ashford, Kent, pp 33–38.

For papers in multi-books with one or more editors, the reference should include the title of the chapter and the names of the editors, together with the number of the edition as e.g. Brown, D. (1951) Examination of the ear. In *Diseases of the Ear, Nose and Throat*. 2nd Edition. (White, A., Black, B., eds.), Headley Brothers Ltd., Ashford, Kent, pp 33–38.

It is most important that authors should verify personally the accuracy of every reference before submitting a paper for publication. The names of authors cited in the References should be given in alphabetical order.

(h) **Drugs**—The proper names of drugs must be used. One reference can be made to the brand name if it is felt to be important to the study.

(i) **Meetings**—If the manuscript was presented at a meeting, the place where it was held, and the date on which it was read must be included and should appear at the foot of the title page.

(j) **Financial disclosures**—In the submission letter to the Editor, the authors must list all affiliations with or financial involvement in, organizations or entities with a direct financial interest in the subject matter or material of the research discussed in the manuscript.

(k) **Declaration**. Each manuscript must be accompanied by a letter of declaration to be signed by each author to confirm that they have seen, read and approve the contribution bearing their name.

(l) **Rejections**—All manuscripts which are rejected will no longer be returned to the authors. Those submitting papers should, therefore, ensure that they retain at least one copy and the reference numbers, if any, of the illustrations. The only exception to this will be those manuscripts with colour illustrations which will be returned *automatically* by Surface Mail.

(m) Facsimile (FAX). All authors should send a Facsimile number whenever possible to speed communication; this particularly applies to those outside the United Kingdom. Manuscripts with no visual illustrations (X-rays/pathology) may be sent by facsimile.

3. Page proofs are sent to authors for corrections, which should be kept to a minimum; they must be clearly marked, and no extra matter added. Proofs should be returned within 5 days.

4. Orders for reprints must be sent when returning page proofs, and for this purpose special forms are supplied.

5. Editorial communications may be addressed to **The Editor, Journal of Laryngology and Otology, c/o Headley Brothers Ltd., The Invicta Press, Ashford, Kent TN24 8HH, or sent by FAX (01483 451874).**

6. **The annual subscription is £100.00 Institutions & Libraries US\$230.00; £85.00 Individuals US\$195.00; £45.00 Registrars, Residents and Interns.** (Those in training should submit a certificate from The Head of the Department giving details of their appointment; those who qualify must supply their *home* address for mailing direct). Claims to be made for missing issues within 6 months of each publication date.

7. Single copies of current or back numbers (when available) will be on sale at £12.00 each (including postage).

8. SUPPLEMENTS published at 'irregular' intervals with subscription, available separately on request.

9. All subscriptions, advertising and business communications should be sent to the publishers, or subscription agents.

J.L.O. (1984) LIMITED
Company limited by Guarantee
Reg No: 1865175 England

In 1984, The Journal ceased to become a Limited Company with shareholders and instead became a registered charity under the Companies Act, limited by guarantee and without having a share capital. A Memorandum of Association was drawn up and the Association acquired the assets of the Journal of Laryngology and Otology Limited. Former shareholders were invited to become members of the Association and all those who undertook to do so, gave a Guarantee that should the association need to be wound up, they would contribute a sum not exceeding £20.

Annual General Meeting. This is normally held each year in early November, and it is to the Members of the Association that invitations are issued. Any individual paying a full subscription who would like to become a member of the Association is asked to write to the Editor, c/o Headley Brothers, confirming that he or she will make such a guarantee of £20 if the occasion were to arise. Applications for membership may be made at any time. It is hoped that more full subscribers will take up this offer and attend the Annual General Meeting so that there can be a more lively exchange of views between them, and the Editorial staff and publishers.

The Journal of Laryngology and Otology

An international journal founded in 1887.

A leading international journal, published monthly, and containing original scientific articles and clinical records in all fields of Otology, Rhinology and Laryngology.

Distributed by subscription to Surgeons, Consultants and Students throughout the United Kingdom and to many overseas countries.

SYMPOSIUM AND WORKSHOP ON SURGICAL VOICE RESTORATION FOLLOWING LARYNGECTOMY

Professor E Blom
Mr P Samuel
Mr F Stafford

Venue: Van Mildert College, Durham
29th and 30th March 1996

The Department of Head and Neck Surgery, City Hospitals Sunderland presents an intensive and comprehensive 2 day workshop on surgical voice restoration led by Professor Eric Blom, the world's leading expert of valve voice restoration. Lectures, seminars and demonstrations on all aspects of surgical voice restoration and valve care will be presented. This course is suitable for Otolaryngologists / Head and Neck Surgeons, Speech Therapists and Nurses involved in the management and care of laryngectomy patients with or without an established voice restoration service.

Detailed programme available on request.

Course fee (including course dinner):

Surgeon / Speech Therapist team	£275.00
Surgeon	£250.00
Speech Therapist	£85.00

THE 7TH OXFORD COURSE IN ENT RADIOLOGY

A two-day course covering all aspects of modern imaging in Otolaryngology, highlighting the new techniques of CT and MRI.

Dates: 17-18 MAY 1996

to be held at the

COTSWOLD LODGE HOTEL, OXFORD.

The hotel is situated in a quiet conservation area just half a mile from the city centre.

The price will be £295 which will include all refreshments, accommodation and the conference dinner on the Friday night.

Write for application form and details to:

MRS S COOK

Academic Secretary, Department of Otolaryngology

The Radcliffe Infirmary, Oxford OX2 6HE

ARE YOU A SUBSCRIBER TO THE J.L.O.?

GOOD reasons why you should:

Main Articles, Case Reports and Short Communications from all over the world.

Quarterly Book Review Service.

Selected Abstract Service each month.

Period between acceptance and publication cut to six months or less.

Subscribers receive all supplements produced in that year.

Every 10 years, complete index issue published—included in the subscription (next issue will appear at the end of 2002).

Reduced subscription rates for those in training (Registrars/Residents/Interns).

Subscription normally tax deductible. (Those in training should submit a certificate from the Head of the Department giving details of their appointment; those who qualify must supply their *home* address for mailing direct.)

The J.L.O. has now been published for more than a century and remains excellent value for money—so why not have your own individual copy and give yourself everyday access!

GOS Masterclass in Paediatric Otolaryngology

10th - 12th April 1996

Course directors:

**Mr JNG Evans, Mr CM Bailey,
Mr DM Albert and Mrs SEJ Leighton**

Fee: £300.00

Aims and objectives: This three-day workshop is intended for consultants and senior registrars with special interest in paediatric otolaryngology, and will concentrate on recent advances in surgical management. The time will be divided equally between seminars and demonstrations of operative technique, and surgical procedures will be televised live with commentary and discussion from the surgeons. This a limited course.

UNIVERSITY OF LONDON

BAHRAIN DEFENCE FORCE HOSPITAL STATE OF BAHRAIN

Applications are invited for the position
of

REGISTRAR

in the Ministry of Defence, State of
Bahrain

Selected candidate should have
minimum 3 years' experience in ENT,
preferably with Fellowship.

*Apply with complete Bio-Data, two
recent referees and
passport copy to:*

**Chief of Medical Staff, BDF Hospital,
Post Box 28743,
State of Bahrain**

*... a
development of
the Bone
Anchored
Hearing Aid.*

BAHA Classic 300

The updated BAHA has **three main improvements:**

The first is the development of a **continuous base tone control** which has flexibility to cover the frequency response range of the four previous models.

The second improvement is the adoption of ABS plastic for the hearing aid casing which offers a more **aesthetic moulded design**, greater strength and colour stability.

THE BAHA CLASSIC 300 ALSO COMES WITH A **FIVE YEAR WARRANTY.**

Indications for the BAHA

- **Chronic Otitis Media** - with conductive or mixed hearing loss where the use of air conduction devices is contraindicated.
- **Congenital Malformation** - of the external or middle ear where an air conduction hearing aid cannot be used or is contraindicated.
- **Otosclerosis** - in some cases.

Private Practice Software

Debtor Management a Problem..?
Accountancy Changes Excessive..?
Secretary Deluged with Paperwork..?
Accountancy Software Too Complex or Inflexible..?

Not if you are using Practice Manager..!

The UK's Leading Private Practice Software Package.

- Written specifically and exclusively for private practice, genuinely easy-to-use.
- Fast and accurate billing using the licensed BUPA coding system.
- Fully integrated with commercial word processors, Practice Manager will significantly reduce secretarial workload. No more repeat typing of information!
- Automated, personalised debtor management in minutes as opposed to hours or even days - increases cash-flow and reduces bad debts.
- Individually tailored and configured to closely reflect the professional image you wish to portray on your printed output.
- Professional on-site training, backed by the highest possible level of ongoing support and continued development.

DGL have taken the "Pain" out of computerisation for over 700 Practice Manager users ranging from individual consultants through to major health care groups including BUPA, Nuffield and BMI.

Your private practice can benefit from Practice Manager together with the support, security and backing of DGL - the UK's leading supplier of private practice software.

Take the first step to increasing the efficiency and profitability of your private practice.

Ring today for a FREE no-obligation demonstration or to receive a detailed brochure.
