KENNETH L. TREFFTZS STUDENT AWARD  
FOR OUTSTANDING PAPER IN FINANCE

The Western Finance Association invites the submission of papers for the annual Kenneth L. Trefftzs award. The prize will be awarded to the best paper submitted by a current undergraduate or graduate student in any college or university. The winning student will receive:

- (a) \$150 prize money,
- (b) A guaranteed presentation of his or her paper at the 1976 annual meeting of the Western Finance Association in San Francisco,
- (c) Publication in the 1976 Proceedings Issue of the *Journal of Financial and Quantitative Analysis*.

Papers should be in the area of Finance, especially: Business Finance, Investments, Banking and Monetary, or International Finance. Related areas such as Insurance, Accounting, Economic Capital Theory, etc. might be acceptable if the paper has significant implications for Finance. Papers may be theoretical, empirical, historical, or critical. There is no specified limit, but they should be of length appropriate for a journal article. All papers will be judged solely on merit by the awards committee.

Papers should be submitted in triplicate not later than March 30, 1976, to:

Professor John P. Shelton  
Graduate School of Management  
University of California at Los Angeles  
Los Angeles, California 10024

The winning paper will be announced no later than April 30, 1976.

ANNOUNCEMENT

Visiting Position Available

The Department of Finance, Business Economics and Quantitative Methods is seeking candidates for a position of visiting professor of finance. Appointments may be made at any rank. We desire a person with a primary teaching interest in the area of investments with a strong background in economics and statistics.

As an equal opportunity employer, the department is especially interested in making the availability of this position known to minorities and women. Candidates should write to Professor Alfred N. Page, Chairman, at the address below enclosing a vita sheet, available examples of recent research, and the names of four references of which at least three should be in academic positions.

Write to: Professor Alfred N. Page, Chairman  
Department of Finance, Business Economics  
and Quantitative Methods  
Graduate School of Business Administration  
University of Washington  
Seattle, Washington 98195
