

DIEU VIVANT (No. 13—Editions du Seuil) is of special interest for its articles on the application of general sacramental theology to modern problems—for example, Père Danielou writes on 'Histoire Marxiste et Histoire Sacramentaire'.

REVUE D'ASCETIQUE & DE MYSTIQUE (Jan.-March 1949) contains an article on 'Thomas de Jésus et la Contemplation Acquise' by Father Gabriel de Ste M. Madeleine, the Carmelite who has done so much to thrash out the difficult problem of acquired and infused contemplation.
