

# CJEM JCMU

Vol. 13, No. 2  
March 2011 / mars 2011

[cjem-online.ca](http://cjem-online.ca)

#### About the Cover:

This issue includes a study that found suboptimal knowledge and adherence to infection control practises among Canadian Pediatric EPs. The cover illustration is a vivid reminder of why the use of PPE is important for all ED staff. (page 71).

## Table of Contents • Table des matières

### ORIGINAL RESEARCH • RECHERCHE ORIGINALE

#### Pediatric EM

- 71 Use of personal protective equipment in Canadian pediatric emergency departments  
*Sarah M. Reid, Ken J. Farion, Kathryn N. Suh, Tobey Audcent, Nicholas J. Barrowman, Amy C. Plint*
