

ERRATUM

How to improve the substantive interpretation of regression results when the dependent variable is logged – ERRATUM

Oliver Rittmann, Marcel Neunhoeffer and Thomas Gschwend

(First published online 12 September 2023)

DOI: <https://doi.org/10.1017/psrm.2023.29>. Published online by Cambridge University Press, 10 August 2023.

In the original publication of this article, a semicolon was mistakenly added into an equation on the first page (line 7 of paragraph 2).

The publisher apologises for this error.
