UNIVERSITY PRESS

**Editorial**

Thank you to our assistant editors, reviewers, video producers and sponsors for their help in 2023: *EW Fisher, J Fishman* 1

**Review Articles**

Laterality and otorhinolaryngology: a review: *H Lancer, A Drake-Lee* 2

Noise-induced hearing loss in the pre-industrial era: early contributions in *De Morbis Artificum* by Bernardino Ramazzini (1633–1714): *ME Paladino, M Belingheri, R Mazzagatti, MA Riva* 7

**Main Articles**

How do medical students want to learn ENT? Perspectives from a consensus forum: *E Wilson, M Choy, I Nunney, NH Ta, BV Taylor, ME Smith* 10

Post-operative vestibular and equilibrium evaluation in patients with cholesteatoma-induced labyrinthine fistulas: *Q Peng, K Liu, M Wang, C Zhou, S Zhang, Y Liu, B Xie* 16

Access to ear and hearing care services in Cambodia: a qualitative enquiry into experiences of key informants: *CJ Waterworth, M Marella, MF Bhutta, R Dowell, K Khim, PL Annear* 22

Patterns of online information use prior to middle-ear surgery: a retrospective cohort study: *C Lodhia, N Jufas, N Patel* 33

Virtual clinic for hearing loss and non-pulsatile tinnitus: initial experience of 210 cases: *T Baron, D Whinney, V Reddy* 38

A comparison of the video head impulse test and the functional head impulse test in chronic unilateral vestibular loss: *G Kirazli, HS Erbek* 43

What do windsurfers and kitesurfers in Germany know about surfer's ear and how is it influenced by protective measures?: *F Wegener, M Wegner, NM Weiss* 52

Frontal sinus stenting in endoscopic sinus surgery: the 10-year Oxford experience: *F Bandino, A Pendolino, J Bates, A Qureishi, P Martinez-Devesa* 60

The effect of pharyngeal packing on gastric volume in patients undergoing nasal surgery: a randomised, controlled trial: *D Altun, T Özkan-Seyhan, M Canbaz, L Aydemir, D Altun, HC Gökdoğan, E Çamcı* 67

Can we better advise our patients with nodular thyroid disease?: *O Busby, C McArthur, S Wright, O Hilmi* 75

A study of variation in therapeutic approach to low-risk differentiated thyroid cancer in the UK: *P Maniam, H Ishii, MJ Stechman, J Watkinson, K Farnell, D Kim, IJ Nixon* 83

Bacterial colonisation of surface and core of palatine tonsils among Tanzanian children with recurrent chronic tonsillitis and obstructive sleep apnoea who underwent (adeno)tonsillectomy: *DR Katundu, D Chussi, CE van der Gaast-de Jongh, MM Rovers, MI de Jonge, G Hannink, N van Heerbeek* 89

Otolaryngology contribution to the care of patients following non-fatal strangulation in the settings of alleged sexual assault: *S Linton, N Mani, R Majeed-Ariss, SAR Nouraei, C White* 93

Stratifying risk of malignancy in cystic lateral neck lumps: a multivariate analysis of demographic, radiological and histological investigation factors and the development of a patient-centred risk-predictive tool for malignancy: *V Evans, E Prades, C Passant, D Owens, A Harris* 99

Comparison of three different image enhancement systems for detection of laryngeal lesions: *F Kraus, S Gehrke, D Ehrmann-Müller, F Hofer, W Shehata-Dieler, R Hagen, A Scherzad* 105

**Short Communications**

Exploring implicit bias among ENT surgeons: an analysis of the implicit association test: *Z Shah-Altaf, D Ranford, K Miu, C Hopkins, P Surda* 112

A feasibility study of using a high-definition intra-operative exoscope in teaching septorhinoplasty: *E Rosario, AV Navaratnam, M Ferguson, C Rennie, HA Saleh* 115

**Erratum**

118
