# International Review of the Red Cross

Published for the International Committee of the Red Cross

## Editor

Vincent Bernard, *The International Committee of the Red Cross, Switzerland*

The *International Review of the Red Cross* promotes reflection on humanitarian law, policy and action in armed conflict and other situations of collective armed violence. A specialized journal in humanitarian law, it endeavours to promote knowledge, critical analysis and development of the law and to contribute to the prevention of violations of rules protecting fundamental rights and values. The *Review* offers a forum for discussion about contemporary humanitarian action as well as analysis of the causes and characteristics of conflicts so as to give a clearer insight into the humanitarian problems they generate. Finally, the *Review* informs its readership on questions pertaining to the International Red Cross and Red Crescent Movement and in particular on the activities and policies of the Red Cross.
