## ANNOUNCEMENT

## PREPARATION OF TABLES

Authors are advised that in future tables will be directly reproduced by the printer and not type-set. This will materially reduce costs of publication and hopefully reduce delays. The guidelines detailed below should be followed:

- 1. Page size should be  $5\frac{3}{4} \times 9\frac{1}{4}$  inches (or  $14.5 \times 23.5$  cm).
- 2. Large or long tables should be typed on continuing sheets.
- 3. Table headings should be typed on separate sheets, but identifying numbers should be placed on the upper right-hand corner of each sheet of tabular material.
- 4. Footnotes should be typed on separate sheets.
- 5. Original typed tables are required.

It will be the author's responsibility to prepare his tables in accordance with this procedure, as no facilities exist at the Editorial Office for retyping.
