## THE THERAPY OF DESIRE

Theory and Practice in Hellenistic Ethics  
MARTHA C. NUSSBAUM

The Epicureans, Skeptics, and Stoics practiced philosophy not as a detached intellectual discipline, but as a worldly art of grappling with issues of daily and urgent human significance. In this engagingly written book, Martha Nussbaum examines texts of philosophers committed to a therapeutic paradigm—including Epicurus, Lucretius, Sextus

Empiricus, Chrysippus, and Seneca—and recovers a valuable source for current moral and political thought.

"... one of the most provocative, original, and important contributions to the field of ancient philosophy in the past few decades."

—Phillip Mitsis, Cornell University

Cloth: \$29.95 ISBN 0-691-03342-0

## THE END OF THE BRONZE AGE

Changes in Warfare and the  
Catastrophe ca. 1200 B.C.

ROBERT DREWS

The Bronze Age ended early in the twelfth century B.C., plunging some lands into a dark age that would last more than four hundred years. In his attempt to discover the causes of the collapse of the Bronze Age, Robert Drews rejects the traditional explanations—earthquakes, migrations, drought, systems collapse—and proposes a military one instead.

"... unusually sophisticated... well argued and learned..."

—A.M. Snodgrass, *Times Literary Supplement*

Cloth: \$35.00 ISBN 0-691-04811-8

## POLICING ATHENS

Social Control in the Attic Lawsuits,  
420-320 B.C.

VIRGINIA J. HUNTER

From household gossip to public beatings, this social history explores the many channels through which Athenians maintained public order.

"... a fundamental and extremely important contribution to Athenian social and political history."  
—David Cohen, University of California, Berkeley

"... startlingly original..."  
—Josiah Ober, Princeton University

Cloth: \$29.95 ISBN 0-691-03268-8

## REGARDING PENELOPE

From Character to Poetics  
NANCY FELSON-RUBIN

Nancy Felson-Rubin explores the relationship between Homer's construction of Penelope and his more general approach to poetic production and reception. She reveals how the oral performance of the poem teases and captivates its audience in the same way Penelope and Odysseus entrap each other in their courtship dance.

"*Regarding Penelope* surpasses all other books on the *Odyssey* in its informed, productive use of literary, anthropological and psychological theory for interpretive purposes... Nancy Felson-Rubin offers a view of the *Odyssey* that can change the way scholars and critics approach and understand the text."  
—Seth L. Schein, University of California, Davis

Cloth: \$35.00 ISBN 0-691-03228-9

## ATHENS ON TRIAL

The Antidemocratic Tradition  
in Western Thought

JENNIFER TOLBERT ROBERTS

Jennifer Roberts charts responses to Athenian democracy from Athens itself through the twentieth century.

"*Athens on Trial* has as much to say to students of early modern or contemporary political and social theory as to ancient historians and readers of Thucydides. It is as readable as it is wide ranging."—Ellen Wood, Glendon College, York University

Cloth: \$29.95 ISBN 0-691-05697-8

## MARRIAGE TO DEATH

The Conflation of Wedding  
and Funeral Rituals in  
Greek Tragedy

RUSH REHM

The link between weddings and death plays a central role in the action of many Greek tragedies. Rush Rehm considers how and why the conflation of the two ceremonies comes to theatrical life in the tragedies of Aeschylus, Sophokles, and Euripides.

"The parallels between Greek wedding and death rituals have never been followed through a series of different tragedies as they have here. Rush Rehm reveals that these rituals are not used to provide stability but are instead altered in ways that shake up the audience. In so doing, he makes an important point about the intent of tragedy."—Rebecca H. Sinos, Amherst College

Cloth: \$29.95 ISBN 0-691-03369-2

## THE TYRANT'S WRIT

Myths and Images of Writing in  
Ancient Greece

DEBORAH TARN STEINER

Covering material as diverse as curse tablets, coins, tattoos, and legal decrees, Deborah Steiner explores the reception of writing in archaic and classical Greece. She moves beyond questions concerning ancient literacy and the origins of the Greek alphabet to examine representations of writing in the myths and imaginative literature of the period.

"Deborah Steiner's book shifts debate from the now rather sterile question of Greek literacy to what is possible to evaluate: Greek patterns of association to writing. It is beautifully written itself, and should enrich general readers and specialists alike."—Ruth Padel, author of *In and Out of the Mind: Greek Images of the Tragic Self*

Cloth: \$39.50 ISBN 0-691-03238-6

*New paperback edition*

## THE EARLY GREEK CONCEPT OF THE SOUL

JAN N. BREMMER

Jan Bremmer presents a provocative picture of the historical development of beliefs regarding the soul in ancient Greece. In exploring Greek ideas of human souls as well as those of plants and animals, Bremmer illuminates an important stage in the genesis of the Greek mind.

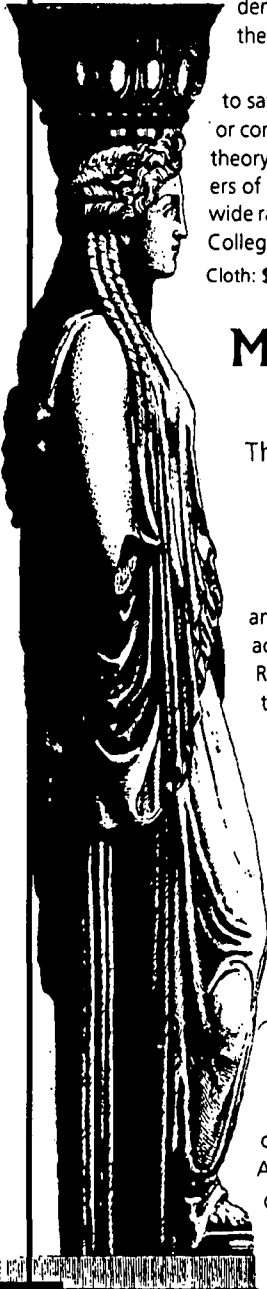

"Since Erwin Rohde published *Psyche* in 1893, the theme of the soul and its relation to life before and after the death of the body has interested scholars of ancient Greek religion. Jan Bremmer's contribution to the discussion is likely to become definitive, for its conclusions as well as its procedures."—Larry J. Alderink, *Journal of the History of Religions*

## Papers in Hellenistic Philosophy

JACQUES BRUNSCHWIG

Translated by JANET LLOYD

This collection makes available in English twelve papers by this distinguished French scholar. The essays deal with problems arising in the texts and doctrines of the three major philosophical schools of the Hellenistic period – Epicureanism, Stoicism and Scepticism.

## Imaginary Greece

The Contexts of Mythology

RICHARD BUXTON

This is a study of Greek myths in relations to the society in which they were originally told. It does not re-tell the myths: rather it offers an analysis of how myths played a fundamental role in the lives of the Greeks.

£12.95 net PB 0 521 33865 4

## Myth and Territory in the Spartan Mediterranean

IRAD MALKIN

This book discusses Greek attitudes to settlement and territory as articulated through myths and cults. The emphasis is less on the poetic, timeless qualities of the myths, than on their historical function in the archaic and classical periods.

£37.50 net HB 0 521 41183 1 296 pp.

## Euripidean Polemic

*The Trojan Women* and the Function of Tragedy

N. T. CROALLY

This book sets out to interpret Euripides' *The Trojan Women* in the light of a view of tragedy which sees its function, as it was understood in classical Athens, as being didactic. This function, the author argues, was carried out by an examination of the ideology to which the audience subscribed.

## Law, Sexuality, and Society

The Enforcement of Morals in Classical Athens

DAVID COHEN

Examines the regulation of sexuality, the family and unorthodox religious beliefs in classical Athens, by placing the question in a larger comparative and theoretical framework.

## The Art of Vase-Painting in Classical Athens

MARTIN ROBERTSON

Martin Robertson draws together the results of a life-time's study of Greek vase-painting, tracing the history of figure-drawing on Athenian pottery from the invention of the 'red-figure' technique in the later archaic period to the abandonment of figured vase-decoration two hundred years later.

£24.95 net PB 0 521 33881 6 362 pp.

## Language

Edited by STEPHEN EVERSON

This book is concerned to expound and analyse ancient theories of language. The discussions range from Plato via Aristotle and the Hellenistic philosophical schools to the work of St Augustine.

## Greek Poetry of the Imperial Period

An Anthology

NEIL HOPKINSON

This book contains a selection of pagan Greek poetic texts ranging in date from the first to the sixth century AD.

There is a brief general introduction, and in addition each section of detailed commentary is prefaced by a discussion of literary aspects of the poems and of their wider contexts.

£37.50 net HB 0 521 41155 6 240 pp.
