THE JOURNAL OF ANIMAL ECOLOGY

Edited for the British Ecological Society

By CHARLES ELTON & A. D. MIDDLETON

(University Museum, Oxford.)

A NEW JOURNAL which is intended to act as the organ of research on Animal Ecology in the British Isles. This journal will publish primarily papers dealing exclusively with animals (such as population and migration studies and allied problems), and with methods of ecological research having reference primarily to animals. Two numbers will be published each year. The first number is now ready. Subscription for members of the British Ecological Society is 25/- per annum, and for non-members of the society, or libraries and institutions, 30/- per annum. The price of single parts will be 22/6 net.

CAMBRIDGE UNIVERSITY PRESS, FETTER LANE, LONDON, E.C. 4

The Journal of Hygiene is issued as material accumulates. A volume containing four numbers is issued annually in paper covers at the following net prices:

Volumes I—III (1901–3). 17s. 6d.

Volumes IV—XVI (1904–18), *excepting* Vol. VI, no. 4, Plague number. 25s.

Volume XVII (1918). 31s.

Volumes XVIII—XXXI (1919–31). 42s. each.

Quotations can be given for buckram binding cases and for binding subscribers' sets; also for bound copies of back volumes.

Papers for publication may be sent to Prof. GEO. H. F. NUTTALL, F.R.S., Longfield, Madingley Road, Cambridge, or to the associate Editors. Other communications should be addressed to the University Press, Cambridge.

Papers forwarded to the Editors for publication are understood to be offered to *The Journal of Hygiene* alone, unless the contrary is stated.

Contributors receive fifty copies of their papers free. Additional copies may be had at cost price: these should be ordered when the final proof is returned.

The subscription price is £2. 7s. 6d. per volume (post-free), payable in advance; single numbers 14s. 0d. net. Subscriptions may be sent to any Bookseller, or to The Cambridge University Press, Fetter Lane, London, E.C. 4.

The Cambridge University Press has appointed the University of Chicago Press agents for the sale of *The Journal of Hygiene* in the United States of America and has authorised them to charge the following prices: Subscription, \$11.75 per volume; single numbers, \$3.50 each.

Plague Numbers, Vol. VI. no. 4 (out of print), Vol. VII. nos. 3 and 6, and Vol. VIII. no. 2, Vol. X. no. 3, Price 6s. net each.

A series of Plague Supplements has been issued; the first four of these contain Reports VI—IX on Plague Investigations in India. They are, in pagination, completely independent of the Journal although subscribers to the latter receive copies without extra cost. Price of Plague Supplements, i. and ii. 7s. net each; iii. 10s. net; iv. and v. 7s. net each. Plague Supplements i, ii, iii can also be supplied bound in buckram, price 20s. net.
