Aims

The Economic and Labour Relations Review is produced jointly by the Centre for Applied Economic Research and the Industrial Relations Research Centre at The University of New South Wales. The ELRR's primary focus is contemporary issues, developments and policymaking in the fields of economics and labour relations.

All opinions expressed in *The Economic and Labour Relations Review* are those of the authors and do not necessarily reflect the views or policies of the Centres. The Centres are not responsible for the accuracy of the data and information included in this publication, nor do they accept any consequences of their use. Any queries arising from the contents of this publication should be directed to the authors concerned.
