An important new guide to legal history...

Baker & Milsom: Sources of English Legal History – Private Law to 1750

By **J H Baker**, MA, LLB, PhD, of the Inner Temple and Gray's Inn, Barrister; Fellow of St Catharine's College, and University Lecturer in Law, Cambridge; and **S F C Milsom**, FBA, of Lincoln's Inn, Barrister and Honorary Bencher; Fellow of St John's College and Professor of Law in the University of Cambridge.

Sources of English Legal History promises to be the definitive work in its area. It makes available much source material and original documentation that has hitherto been unavailable or inaccessible. The book may be used as a companion volume to **Baker: An Introduction to English Legal History**.

The authors' impeccable research is self evident and they have provided a most valuable research tool and reference work for anyone with an interest in the foundations of the English legal system.
