

### Submission of manuscripts

Manuscripts may be submitted electronically through the journal's website ([www.njgonline.nl](http://www.njgonline.nl)). Manuscripts should be prepared in accordance with the 'instructions to authors' as summarised in every first issue of a volume. The instruction is also available upon request from the Editorial Office and on the journal's website ([www.njgonline.nl](http://www.njgonline.nl)). The author(s) of manuscripts submitted are responsible for obtaining clearance for publication from relevant parties including, if appropriate, permission to include copyright material.
