Two copies of the manuscript should be submitted  
and the author should retain a copy. Articles must be  
typed on one side of the paper only, double spaced  
with wide margins.

## The London Centre for Psychotherapy

Applications are invited for the following course  
(starting January 1992)

### INTRODUCTION TO THE THEORY OF ANALYTICAL PSYCHOTHERAPY ONE YEAR COURSE

The aim of the course is to provide an introduction to the main theories of analytical psychotherapy including those of Freud, Jung, Klein and more recent writers in Europe and America. The course will therefore offer an educational experience for anyone interested in the processes of analytical psychotherapy. This course is a pre-requisite for the Three Year Qualifying Course, which follows in the October of 1993, for which a separate application is required in January 1993.

Applications are invited from those working in the helping professions and other professional groups who may find an analytical perspective valuable in their work or personal development.

The course takes place on Monday and Wednesday evenings and will begin in January 1992. The lectures and experiential groups will take place in central London. Each student will have a personal tutor and be a member of a tutorial group.

Those interested in the above course should write for an application form to the **Secretary, Training Section, London Centre for Psychotherapy, 19 Fitzjohn's Avenue, London NW3 5JY.** Quoting Reference: BJP/1.

*Closing date for applications is: 30 September 1991*
