FAITH AND PRAYER

by VINCENT McNABB, O.P.

As Fr Hilary Carpenter says in his introduction to this volume, 'few priests have made a greater or more lasting impact on this country as a whole during the past century than Father Vincent McNabb, who became something of a legend even in his own lifetime', and these Oxford Conferences on Faith and Prayer, published to mark the tenth anniversary of his death, are among the most important and masterly of his many works. Originally given to University audiences at the turn of the century, they are in no sense dated, and the truth expounded is as alive and vital as it was when first published fifty years ago.

"THAT THE CHURCH MAY SPREAD AND INCREASE: this is the intention for which we must offer our prayers and our labours", says Pope Pius XII in his encyclical on the Mystical Body.

The work of the Mill Hill Fathers in Africa, India, the Far East and New Zealand, has this one aim. You can work with them for the spread of the Church by fostering vocations to the missionary priesthood.
