## Re-entry Grants for **African Scholars** Pursuing Education Research

This grants program is designed to assist in the professional re-establishment of talented African scholars who are returning from doctoral studies abroad and have a research interest in issues related to the revitalization and development of education in sub-Saharan Africa.

**All proposed projects must include an explicit and substantial focus on female school participation as part of the set of educational issues to be examined.**

Applicants may submit research proposals prior to or within one year of returning to their Africa-based institutions. Grants are made to the scholar, but the proposal must be endorsed by the African institution where the applicant will be a full-time staff member. Also required are: two letters of recommendation from academic supervisors at the institution where the candidate carried out doctoral study; postgraduate transcripts; and a resume.

There are no deadlines for submission of proposals. For a full description of the program, write to:
