The *British Journal of Psychiatry* is published monthly under the auspices of the Royal College of Psychiatrists. The *Journal* publishes original work in all fields of psychiatry. All communications, including manuscripts for publication, should be sent to The Editor, *British Journal of Psychiatry*, 17 Belgrave Square, London SW1X 8PG.

Full instructions to authors are given at the front of the May 1992 issue.

Two copies of the manuscript should be submitted and the author should retain a copy. Articles must be typed on one side of the paper only, double spaced with wide margins.

Contributions are accepted for publication on the condition that their substance has not been published or submitted for publication elsewhere. The *Journal* does not hold itself responsible for statements made by contributors. Unless so stated, material in the *Journal* does not necessarily reflect the views of the Editor or the Royal College of Psychiatrists.

Published articles become the property of the *Journal* and can be published elsewhere, in full or in part, only with the Editor's written permission.

Terms or abbreviations which might not be understood by the average reader should be explained at first occurrence.

MSc in Mental Health Studies

Applications are invited for a course leading to an MSc in Mental Health Studies. This is a modular course and emphasises treatment methods. All students will take a module in basic clinical mental health, and also two others from a list which includes brief, psychosexual, cognitive-behavioural, and dynamic therapies, community mental health, research methods, elderly mental health, learning difficulties, etc.

The course is open to mental health workers in any of the relevant professions, including nursing, social work, psychiatry, psychology, occupational therapy and psychotherapy, who have a relevant basic qualification and at least one year's post-basic experience.

The course may be taken in one year whole-time, or two years part-time.

Full details and application forms are available from: Professor J. P. Watson (MSc Office), UMDS Division of Psychiatry, Guy's Hospital, London SE1 9RT. Fax/Phone: 071 955 4247.

**Workshops and courses in Cognitive-Analytic Therapy and Marital & Sexual Problems
1992-93**

Introductory workshops and courses in a, CAT (an integrated approach to time-limited psychotherapy) and b, Marital & Sexual Problems, are again available at Guy's/St Thomas's Hospitals in 1992-93. These are open to mental health professionals and students.

For further details please write to Mark Dunn, Munro Clinic, Guy's Hospital, London SE1 9RT or fax/phone 071 955 4822.
