BY GEORGE R. KERNODLE
UNIVERSITY OF ARKANSAS

Just published – a balanced, comprehensive survey of the theatre arts that shows the beginning student how modes of plays, styles of acting, and types of theatrical architecture and production are related. Part One presents the main classifications of drama – realism, romance, tragedy, comedy, and the theatre of disruption (including expressionism, existentialism, and the theatre of the absurd). Part Two follows the director, the actor, and the designer as they analyze the play and give it form, color, and movement. Part Three, focusing on the mass media, discusses not only styles and techniques in the movies, radio, and television, but also problems of public policy and standards of taste for the popular arts. Part Four concentrates on the role of the critic and the writing of the review. Numerous exercises follow each chapter. 677 pages, \$7.95

HALL'S CHRONICLE

(sometimes HALLE)

OR THE UNION OF THE TWO NOBLE AND ILLUSTRE FAMILIES OF LANCASTER AND YORK

containing the History of England during the reign of Henry the Fourth, and the succeeding monarchs, to the end of the reign of Henry the Eighth, in which are particularly described the manners and customs of those periods. Carefully collated with the editions of 1548 and 1550.

Edited by SIR HENRY ELLIS

LONDON • 1809

THE STANDARD EDITION

Library bound Volume \$65.00

THIS is the standard, very rare, and only complete edition of the chronicle scholars now regard as a towering source for Shakespeare's history plays. Its value equals and some think may even surpass Holinshed's. For if Holinshed supplied Shakespeare with facts, Hall gave him a political philosophy.

"I doubt if Hall's great importance not only as an influence on Shakespeare but as a shaper of Tudor historical thought, not to speak of his considerable literary merit, has ever been recognized as it should," wrote the late E. M. W. Tillyard in his *Shakespeare's History Plays*. "I have no doubt," he continued, "that Shakespeare had read Hall in his youth . . . It is in the early Histories that he borrows most from Hall; in the later group the specific borrowings are scarcer. It looks as if he had assimilated Hall so well that he did not need to refer to him any more. Hall's ideas had by this time become a part of his mind . . . Hall's chronicle caught Shakespeare's youthful imagination and impelled him to dramatize the whole stretch of English history from the prosperity of Edward III, through the disasters that succeeded, to the establishment of civil peace under the Tudors."

Catalog of the THEATRE and DRAMA COLLECTIONS

The New York Public Library

To be supplemented

This catalog may be purchased in three individual sections, as follows:

Part I. Drama Collection: Listing by Cultural Origin

This catalog represents the major portion of the Reference Department's Drama Collection. Included are more than 120,000 plays written in western languages. Translations of plays published in the Cyrillic, Hebrew and Oriental alphabets are also listed.

Estimated 127,000 cards reproduced in 6 volumes

Prepublication price: \$425.00; after July 31, 1967: \$530.00

Part I. Drama Collection: Author Listing

The cards in *Listing by Cultural Origin* are here presented in an alphabetical author arrangement, prepared by the staff of G. K. Hall & Co.

Estimated 127,000 cards reproduced in 6 volumes

Prepublication price: \$575.00; after July 31, 1967: \$720.00

Part II. Theatre Collection: Books on the Theatre

The word "theatre" is interpreted in its broadest sense to include the stage, cinema, radio, television, carnivals, nightclub performances, the circus, and magic. Published books and periodicals in these fields are basic to the Theatre Collection.

121,000 cards reproduced in 9 volumes

Prepublication price: \$385.00; after July 31, 1967: \$480.00

CUMULATED DRAMATIC INDEX, 1909-1949

A Cumulation of The F. W. Faxon Company's *Dramatic Index*

Complete and in One Alphabet

Estimated 350,000 entries reproduced in 2 volumes

Price: \$490.00

10% additional charge on orders outside the U.S.

*Descriptive material on these titles and a complete catalog of publications
are available on request.*

IBSEN

Fresh translations by
Rolf Fjelde in
SIGNET CLASSICS

“Rolf Fjelde’s translations are clean, careful and, moreover, refreshingly natural.”

—FRANCIS FERGUSSON, *Rutgers University*

“If Mr. Fjelde goes on to translate the collected plays of Ibsen, he may well be able to provide the outstanding English-language Ibsen of this century.”

—ERIC BENTLEY, *Columbia University*

Four Major Plays

Ibsen’s most frequently performed masterworks — *A Doll House*, *The Wild Duck*, *Hedda Gabler*, and *The Master Builder*. “At last Rolf Fjelde is giving us the translations . . . that our theater has needed for so long. With both student and professional actors, I have found his Ibsen texts marvelously playable.”

—JOHN HOUSEMAN
CP274, 60¢

Peer Gynt

The epic drama of modern man in search of his identity, a cornerstone of the contemporary theater. “A first-rate translation of the play, by far the best I have ever seen.”

—ROBERT W. CORRIGAN, *New York University*
CP215, 60¢

The Genius of the Scandinavian Theater

Edited by Evert Sprinchorn. Seven complete plays: Holberg’s *Jepps of the Hill*, Ibsen’s *The Wild Duck* and *The Master Builder*, Strindberg’s *To Damascus* (Part I) and *Crimes and Crimes*, Lagerkvist’s *The Difficult Hour*, and Abell’s *Days on a Cloud*. With Introduction by the editor and essays by Bernard Shaw, Eric Bentley, Georg Brandes, Par Lagerkvist, and others.

Mentor MQ600, 95¢

READERS THEATRE

Literature in Action

LESLIE IRENE COGER, Southwest Missouri State College

MELVIN R. WHITE, Brooklyn College

This detailed analysis of the origins, history, and present practices of Readers Theatre is the first full-length book on the subject. Practically written, the text narrates the history and current status of Readers Theatre to stimulate the imaginations of those working in group reading activities. While theory is included throughout, emphasis is on the practical application of that theory. Part I introduces and defines Readers Theatre, explores its aesthetic and educative values, and provides practical suggestions on the methods and procedures involved in production. Part II, "This Is the Way It Was Done," contains accounts of actual college and university productions and continues emphasis on the authors' premise that there is no one way of presenting literature in Readers Theatre—that the nature of the literary material determines the best means of development and activation. Part III presents sample scripts and includes a full-length script of Ray Bradbury's *Dandelion Wine*. Part IV contains four articles from leading journals on the philosophy and practice of Readers Theatre. *Approx. 224 pages, softbound, prob. \$2.50*

NINETEENTH-CENTURY BRITISH DRAMA

An Anthology of Representative Plays

LEONARD R. N. ASHLEY, Brooklyn College

This collection of twelve full-length and three short plays, each representative of a different facet of nineteenth-century British drama and theatre, demonstrates that there was indeed an active theatre in England between Sheridan and Shaw. The student can look at early verse drama by Shelley (*The Cenci*) in relation to late poetic drama by Yeats (*The Countess Cathleen*), examine melodramas such as *East Lynne* along with parodies of the form such as *The Importance of Being Earnest*, and compare theatrical successes with artistic successes. Chronological arrangement points up the development of the drama, changing stage conditions, tides of taste, the decline of poetic drama and the rise of realism, and the growth of the new drama of ideas out of the old melodramas. Plays are shown against the background of the authors' careers as well as in relation to drama, theatre, and acting. The book also includes a general introduction to nineteenth-century British drama and theatre, detailed historical and critical introductions to each play, a note on stage directions, biographical and bibliographical tailnotes on the dramatists, and an extensive bibliography. *Approx. 704 pages, softbound, prob. \$5.00*

SCOTT, FORESMAN AND COMPANY College Division
Glenview, Illinois Atlanta Dallas Palo Alto Oakland, N. J.

EDWARD GORDON CRAIG 1872-1966

Edward Gordon Craig practised several crafts • 1889 to 97 was actor • 1893 to 1926 was metteur-en-scene i. e. produced plays and operas • Was designer of scenes and costumes • And was wood engraver • Composed some tunes • Wrote some books • Made some etchings 1906 to 12 • Could not play golf • Played football • Could row • Not shoot • Could not cook • Could not bind a book • Nor understand business • Could do nothing with electric wires • Is not a printer • Could compose a page of type • 1908 to 15, 1918 to 19, 1923 to 29 published *The Mask*.*

EDWARD GORDON CRAIG by Denis Bablet

"This book attempts to explain what Craig has done. It may perhaps help to give an idea of what he has been. . . . As we see, Craig's influence is not restricted to one single style. He paved the way for experiments that are still going on. . . . He contributed to a radical transformation of the theatre in its aesthetic aspects. He has been a liberator and an awakener, a provocation and an inspiration."—Denis Bablet, in this first full length study of the man and his work. Translated with Craig's aid before he died by Daphne Woodward, herself a member of Craig's circle. Illustrated. \$7.75

ON THE ART OF THE THEATRE

Craig's "most important book" (N. Y. Times) is again available.

Illustrated \$5.50

*from the title page for Janet Leeper's Penguin Book of Craig's designs.
