Tenure-Track Position Gerontology and Health

The Department of Health Studies and Gerontology, Faculty of Applied Health Sciences, University of Waterloo has available a **senior level tenure-track position in gerontology and health**. The department has three streams; health and aging, health behaviour and bio-health and the preferred candidate would complement at least two of these streams. The department has close ties with the Alzheimer Research and Education Program and the Centre for Behavioural Research and Program Evaluation (funded by the National Cancer Institute of Canada), both housed in the Faculty of Applied Health Sciences at the University of Waterloo. We expect the appointment to occur by July 1, 1999. Applicants must have an advanced degree at the doctoral level, and a demonstrated commitment to both funded research and teaching at the undergraduate and graduate level. The appointment will be made at the Full or Associate Professor level. Send *Curriculum Vitae* (including a statement of teaching and research interests accompanied by two research articles) and three letters of reference by January 15, 1999 to Dr. John Hirdes, Chair of Search Committee, Department of Health Studies and Gerontology, University of Waterloo, Waterloo, Ontario, N2L 3G1, Canada.

In accordance with Canadian Immigration requirements, this advertisement is directed to Canadian citizens and permanent residents. The University of Waterloo encourages applications from qualified individuals, including women, members of visible minorities, native peoples, and persons with disabilities. This appointment is subject to the availability of funds.

Faculty of Social Work
University of Toronto

The Ben and Hilda Katz Centre for
Gerontological Social Work
Baycrest Centre for Geriatric Care

Norman and Honey Schipper Chair in Gerontological Social Work at Baycrest Centre and the University of Toronto, Faculty of Social Work

The Faculty of Social Work, University of Toronto, in conjunction with the Ben and Hilda Katz Centre for Gerontological Social Work, is seeking applicants for the Norman and Honey Schipper Chair in Gerontological Social Work. Candidates will be expected to build and direct an internationally recognized research and educational program in practice and policy issues related to social work services for the elderly and their families at the Katz Centre for Gerontological Social Work, located at Baycrest Centre for Geriatric Care. The successful candidate will be appointed at the associate or full professor level in a tenure position at the University of Toronto. The Faculty of Social Work is committed to enhancing the diversity of its faculty complement.

Qualifications: A doctorate in social work or a field compatible with social work; clinical social work experience with the elderly an asset; an active research program in gerontological studies related to social work practice and policy; international reputation with demonstrated ability to attract external research funding; and an excellent publication record in high quality peer reviewed journals.

The recently endowed Katz Centre for Gerontological Social Work is a joint program of the Faculty of Social Work, University of Toronto and the Baycrest Centre for Geriatric Care. Its mission is to strengthen the contribution of social work to the field of aging by focusing on individual and family issues experienced by older people. Additional information about the position, the University of Toronto, the Faculty of Social Work, and Baycrest Centre for Geriatric Care is available at <http://www.utoronto.ca/facsocwk> or by calling 416-978-3255.

Applicants are invited to submit by February 26, 1999 a curriculum vitae, three letters of reference, and a letter outlining their research, teaching and professional expertise in these areas. Applications should be sent to Dr. Wes Shera, Dean, Faculty of Social Work, University of Toronto, 246 Bloor Street W., Toronto, Ontario M5S 1A1.

In accordance with the Employment Equity Policy, the University of Toronto encourages applications from qualified women and men, members of visible minorities, aboriginal peoples, and persons with disabilities. This is an international search but in accordance with Canadian immigration requirements, priority will be given to Canadian Citizens and permanent residents of Canada.

Post-doctoral Fellowships

Applications are invited for two post-doctoral fellowships with the multidisciplinary SEDAP (Social and Economic Dimensions of an Aging Population) Research Program. One will be held at McMaster University and one at the University of British Columbia.

Applicants may come from any relevant discipline, but must have demonstrated an ability to do quantitative work with *large-scale survey data sets* and have an interest in working as a member of an interdisciplinary research team. The deadline for receipt of applications is March 1, 1999. Further information about SEDAP, its projects, researchers, remuneration, and application procedures is available at <http://www.socsci.mcmaster.ca/~sedap>

LA REVUE CANADIENNE DU VIEILLISSEMENT

Renseignements généraux et protocole de présentation (Révision de nov. 1998)

La Revue canadienne du vieillissement est une publication trimestrielle de l'Association canadienne de gérontologie, dotée d'un comité de lecture. Elle publie des articles qui portent sur le vieillissement dans les disciplines suivantes: biologie, politique et pratique sociales, psychologie, sciences de la santé et sciences sociales. La Revue accepte les comptes rendus de recherches originales ainsi que les textes conceptuels ou théoriques qui font avancer de façon appréciable les connaissances ou la vision de la gérontologie. Bien qu'elle soit une revue canadienne, les auteurs d'autres pays sont encouragés à y soumettre leur travaux de recherche. On demande aux auteurs de tenir compte de la multidisciplinarité du lectorat. Il peut s'avérer particulièrement approprié de relier certains aspects de l'analyse à d'autres domaines de savoir.

1. Présentation et acceptation des manuscrits

Les manuscrits doivent être adressés à la Rédactrice en chef: Anne Martin-Matthews, Director, School of Family & Nutritional Sciences, The University of British Columbia, Vancouver, BC V6T 1Z4.

La revue n'accepte que des manuscrits inédits qui n'ont pas été soumis à une autre revue. Les manuscrits acceptés par la RCV ne peuvent être publiés ailleurs sans autorisation (exception faites des actes de congrès).

2. Préparation des manuscrits

a. *Préparation des manuscrits.* On recommande l'utilisation de logiciels compatibles avec IBM. Les versions finales doivent nous parvenir en Word Perfect, à double interligne. Les articles doivent compter 3,000 à 10,000 mots que l'on soumette en cinq (5) exemplaires. Les auteurs sont priés de numérotter toutes les pages consécutivement, y compris la page de titre. Les manuscrits doivent être accompagnés d'un titre résumé qui servira dans l'en-tête contenant un maximum de 40 lettres et espaces, et six (6) mots clés pour le classement analytique.

b. *La page titre.* Les articles doivent être accompagnés d'un page titre et comporter les mentions suivantes: nom de l'auteur, dernier diplôme obtenu, nom et adresse de l'employeur, adresse électronique, numéro de télécopieur, numéro de téléphone.

c. *Anonymat de l'auteur.* La page de titre de trois des exemplaires soumis doit porter seulement le titre du manuscrit et être dépouillée de tous les autres éléments exigés.

d. *Résumé.* Les auteurs sont priés de fournir, sur une feuille séparée, un résumé de 100 à 150 mots. Il devra être accompagné d'une traduction anglaise, sinon les frais de traduction seront assumés par l'auteur (35 \$).

e. *Remerciements.* Les remerciements doivent figurer sur une feuille séparée. Ils seront insérés en guise de préliminaire à la première page du texte imprimé.

f. *Notes.* Les notes doivent figurer à la fin du texte, immédiatement avant la bibliographie. Nous ne pouvons accepter les notes en bas de page.

g. *Références.* Les références doivent être conforme au protocole de l'American Psychological Association (1984) ou au protocole de Vancouver. Pour obtenir de plus amples renseignements sur ce point consulter la rédaction.

h. *Tableaux.* Les tableaux doivent être présentés sur des feuilles séparés.

i. *Figures.* Les illustrations doivent être prêtes à photographier et soumises en même temps que la version finale du texte. Format max.: 28 picas/ 4 po 5/8 lar. sur 43 picas/ 7 po 1/4 haut.

3. **Disquette.** Une fois le texte accepté, l'auteur doit en fournir un exemplaire sur disquette de format IBM en Word Perfect.

4. **Modifications de l'auteur.** Les corrections effectuées par l'auteur à la lecture d'épreuve seront portées à son compte.

5. **Droits d'auteur.** Les auteurs dont les articles ou les résumés sont publiés doivent céder, à certaines conditions, leurs droits d'auteur à *La Revue canadienne du vieillissement*.

6. **Formulation sexiste ou discriminatoire.** Les auteurs doivent éviter l'emploi de tournures sexistes ou discriminatoires. Pour plus de renseignements, prière de consulter les directives de l'APA.

CANADIAN JOURNAL ON AGING

General Information and Instructions to Authors (Revised November, 1998)

The *Canadian Journal on Aging* is a refereed, quarterly publication of the Canadian Association on Gerontology. It publishes manuscripts on aging concerned with biology, health sciences, psychology, social sciences, and social policy and practice. The Journal welcomes articles reporting original research, as well as conceptual and theoretical papers which significantly advance knowledge or understanding in gerontology. Although focussed on Canadian research, manuscripts from authors outside Canada are welcome. Authors are asked to bear in mind the multi-disciplinary nature of the readership when writing their manuscripts. In particular, care should be taken to draw out the implications of the analysis for readers in other fields and other disciplines.

1. Submission and acceptance of manuscripts

All manuscripts should be addressed to the Editor-in-Chief: Anne Martin-Matthews, Director, School of Family & Nutritional Sciences, The University of British Columbia, Vancouver, BC V6T 1Z4

Submission of a paper to the *CJA* implies that it has not been published, nor is it under consideration by another journal; and if accepted by the *CJA* it is not to be published elsewhere (except as a conference proceedings) without permission.

2. Manuscript preparation

a. *Preparing the manuscript.* It is recommended that IBM-compatible software be used; authors must supply their final version in Word Perfect. Articles should be printed double spaced. Articles should generally contain between 3,000 and 10,000 words. Number pages consecutively, beginning with the title page and including all pages. Five (5) copies must be submitted. A condensed title for a running head, not to exceed 40 letters and spaces should be supplied, and up to six (6) key words for abstracting purposes.

b. *Title page.* Two of the copies must include a title page containing name of author, highest degree awarded, name and address of institutional affiliation, e-mail, FAX and telephone numbers.

c. *Author anonymity.* Three of the submitted copies must include a blinded title page, with title only.

d. *Abstract.* Each author is required to furnish, on a separate sheet, an abstract of not more than 100–150 words. A French translation of the abstract is necessary. The author may provide this or accept the expense of the translation of the abstract (\$35.00).

e. *Acknowledgements.* These should be added on a separate page and will be incorporated in a preliminary note on the first printed page of the article.

Notes. All notes should be entered as endnotes and should appear immediately before the References. Footnotes are not acceptable.

g. *References.* The articles submitted should be written in either the American Psychological Association (1984) style or the Vancouver style of referencing. More information regarding this may be obtained by writing to the Editorial office.

h. *Tables.* Tables should be printed on separate sheets and position in paper clearly indicated.

i. *Figures.* Camera ready figures should be submitted with the final version of the paper in the following size: 28 picas/4 5/8 in. wide max. 43 picas/7 1/4 in. depth.

3. **Diskettes.** Once a paper is accepted the author must supply a copy of the paper on diskette in Word Perfect (IBM) format.

4. **Authors' alterations.** Alterations to page proofs will be charged to the author.

5. **Copyright.** Authors of articles or reviews accepted for publication will be asked to assign copyright, on certain conditions, to the *Canadian Journal on Aging*.

6. **Sexist and biased language.** Authors should avoid using sexist and biased language in their manuscripts. For further clarification, please refer to the APA guidelines.
