of the "Partisans." Photo Archives of ENI.  
(See pp. 359–386.)

---

*The records business men leave have a kind of veracity that we do not find as a rule in political records . . . . The Business Historical Society and allied associations are providing material which is going to give us a more accurate foundation for judgment in other fields of history.*—Victor S. Clark in an address to the first American conference on business history, Harvard University, December 30, 1930.
