

Nicolas, Imre Toth, Denis Trierweiler, Maria Villela-Petit. Very special thanks to Emo Lessi for his care, skill and patience.

### **Erratum**

We would like to apologize for an error in the translation of the title of Eva Kushner's article in *Diogenes* 185, pp. 49–55.

The title should have read: 'Sire, The People Are Hungry!' 'Let Them Have Symbols!' Literary and Linguistic Studies at the Threshold of the 21st Century.
