Supplement 1

January 2015

An International Journal
of Nutritional Science

Supplement

From pet food to pet care – bridging the gap

Proceedings of the WALTHAM International Nutritional Sciences Symposium October 1-4, 2013
Portland Oregon, USA

Guest Editors: D'Ann Finley, Andrea J Fascetti, Alexander J German, Wouter H Hendriks and
Kelly S Swanson

Aims and Scope

The *British Journal of Nutrition* is an international, peer-reviewed journal publishing original papers, review articles, short communications and technical notes on human and clinical nutrition, animal nutrition and basic science as applied to nutrition. Correspondence is encouraged in a Nutrition Discussion Forum. The Journal recognizes the multidisciplinary nature of nutritional science and encourages the submission of material from all of the specialities involved in research and clinical practice. The Journal also publishes supplements on topics of particular interest.

The *British Journal of Nutrition* is published twice monthly by Cambridge University Press on behalf of
The Nutrition Society.

The *British Journal of Nutrition* is available online to subscribers at journals.cambridge.org/bjn
Tables of contents and abstracts are available free at the same website.
