ON THE EQUATION  $a^x - b^y = 1$ . II\*

By J. W. S. CASSELS

Messrs J. Mack and A. Mąkowski have pointed out that the letters  $a$  and  $b$  have been interchanged in several places, namely

page 98, expression (3·4) and the penultimate line;

page 99, line 8;

page 100, the two lines just above (4·13').
