# Miniature Painting in the Latin Kingdom of Jerusalem

HUGO BUCHTHAL

'It is given to few men to add a new chapter to medieval history. Dr. Buchthal . . . has built up a corpus of illuminated manuscripts that can with some certainty be assigned to the scriptoria of Jerusalem and Acre and that give the crusading kingdom a leading place in medieval art. . . . The volume is splendidly and lavishly produced.'

### The Peterborough Chronicle 1070-1154

Edited from MS. Bodley Laud Misc. 636, with Introduction, Commentary, and an Appendix on the Interpolations by CECILY CLARK

These later annals of the Peterborough version of the *Anglo-Saxon Chronicle* offer important evidence for the early Norman period, and in this edition they are shown against their historical background, with reference to contemporary Anglo-Latin writing. In the text itself several new readings are suggested. 30s. net
