Public Affairs, Literature, and the Arts

Most widely known as a journal of opinion edited by Catholic laymen and focused on public affairs, *The Commonweal* is nevertheless highly regarded for the consistent quality of its varied criticism of present-day writing and contemporary art.

Week-by-week the magazine's writers, from the United States and overseas—including such regular contributors as Robert Barat, John Cogley, Michael Fogarty and Gunnar D. Kumlien—present discerning viewpoints on public affairs, literature, and the arts, in comment which makes good reading of a most enjoyable sort.

ANNUAL SUBSCRIPTION
£3 3s.
