ANNOUNCING

AMERICAN POLITICAL SCIENCE SERIES

General Editor: EDWARD S. CORWIN, Princeton University

REPRESENTATIVE GOVERNMENT

By HENRY J. FORD, Princeton University

An exhaustive discussion of the origins, history, and modern characteristics of representative government. The author presents evidence that representative government originated as a bud put forth by monarchy, that it developed first in England, and that it took its mode and form from the church. He then proceeds to a detailed account of the history and the modern characteristics of representative government, and adds some definite, conservative suggestions for reform in our present government.

Students' Edition, \$2.80

Library Edition, \$3.50

THE NEW GOVERNMENTS OF CENTRAL EUROPE

By MALBONE W. GRAHAM, JR., University of Texas

A full treatment of the Succession States of the German and Austro-Hungarian Empires: their new governments, new policies, and new institutions. Besides presenting these states as they now exist, the author describes their emergence from the past, and indicates their present tendencies. Many documents are provided, which have been hitherto difficult of access.

In Press

OTHER RECENT BOOKS IN POLITICAL SCIENCE

HISTORY OF MODERN EUROPE: 1878-1919

By GEORGE P. GOOCH

A detailed chronicle of forty years of EUROPEAN DIPLOMACY AND FOREIGN RELATIONS; it covers the period from the formation of the Triple Alliance through the Treaty of Versailles.

\$5.00

AMERICAN DIPLOMACY. *New Edition*

By CARL RUSSELL FISH, University of Wisconsin

A thorough treatment of the history of American diplomacy from its beginnings. The new edition brings the account down to date by adding material on the post-War period.

\$3.00

THE SOCIAL AND POLITICAL IDEAS OF SOME GREAT MEDIAEVAL THINKERS

Edited by F. J. C. HEARNSEAW, University of London

A series of eight lectures, presenting the ideas of St. Augustine, John of Salisbury, St. Thomas Aquinas, Dante, Pierre Du Bois, Marsilio of Padua and John Wycliffe.

\$3.00
