

BULLETIN of the ROYAL COLLEGE OF PSYCHIATRISTS 1988 VOL 12

BULLETIN and ABSTRACTS (Supplement 1), INDEX

Compiled by A. Stanley Thorley

PART I—SUBJECT INDEX

(A) = Abstracts, (C) = Correspondence

- Abducting:** Patients leaving hospital without the knowledge or permission of staff—abducting. J. Falkowski *et al.* (A) 50
- Abuse:** Abuse and neglect of the elderly mentally infirm. Delyth Aldrick (C) 29
Attitudes of general psychiatrists to child sexual abuse. Bisa Haeger and Joy Dalton 271–272
Child psychiatric perspectives on the assessment and management of sexually mistreated children 534–540
Child sex abuse. M. S. Alexander (C) 28. Arnon Bentovim (C) 28
Child victims of domestic cruelty. J. E. Oliver (C) 141–142. J. G. Howells (C) 337
Children allegedly killed or injured by nannies. O. V. Briscoe (C) 29
Development of a multidisciplinary approach to the assessment and management of child sexual abuse in an inner city health district. Alison Hall and Roger J. Harris (A) 51
Psychiatric disorder in physically and sexually abused women. Sarah E. Romans-Clarkson *et al.* (A) 51
Return of abused children to their parents. John Dunn (C) 290. Karl Asen (C) 290–291. Peter Reder (C) 456–457
Sexual abuse in children—preventing future sexual dysfunction and helping adults who have suffered in childhood. Arnon Bentovim (A) 41
Teaching medical students a different subject—child abuse. Eileen Vizard 267–270
Treatment of child abuse in an in-patient setting. Roger Kennedy 361–366
- Adolescent psychiatry:** Compliance with treatment in adolescent overdose. P. Hollis (A) 13
Guidelines for the training of general psychiatrists in child and adolescent psychiatry 391–392
Part-time senior registrar training in childhood and adolescent psychiatry. Ann Gath 368–370
- Affective disorders:** *see also* **Bipolar disorders, Mania, Manic depression, Mood changes and Post partum blues**
Affective disorders. Prof. E. S. Paykel (A) 28–29
Outcome in unipolar affective disorder after stereotactic tractotomy. L. M. Lovett *et al.* (A) 54
Theories (A) 24
- Africa:** *see also* **South Africa**
African Psychiatric Association. Prof. S. W. Acuda (C) 294
One of our associations is missing! I. O. Azuonye (C) 106
- Ageing:** Drugs, cognitive impairment and ageing. J. H. Dowson (A) 21
- Aggression:** Danger of dealing with intoxicated and aggressive patients. A. Markantonakis (C) 294
Psychoanalyst looks at aggression. J. R. Pedder (A) 16
- AIDS:** AIDS and the psychiatrist. D. R. Davies (C) 498–499. A. R. M. Freeman, *Secretary, Public Policy Committee* (C) 499
AIDS and the psychogeriatrician. Cornelius L E. Katona 187–189
Cognitive impairment, psychosis and HIV infection. C. Thompson (A) 6
Dementia, psychosis and AIDS. B. Toone (A) 6
HIV and drug abuse—the Edinburgh experience. R. P. Brett (A) 5–6
- Air-freshener syndrome:** Is there an air-freshener syndrome? R. H. Lawson (A) 34
- Alcoholism:** *see also* **Drunkenness and Intoxication**
Consensus statement on a better response to alcohol related problems prepared at a meeting held on 6 November 1987 at the Royal College of Psychiatrists 33–34
What doctors know about alcoholism. Brian D. Hore 140
- Alzheimer's disease:** Magnetic resonance imaging in Alzheimer type dementia. J. A. O. Besson *et al.* (A) 4–5
Neuroendocrine changes in Alzheimer's disease. J. E. Christie *et al.* (A) 35
Neuropharmacology of Alzheimer's disease. A. R. Green (A) 16
Regional cerebral blood flow in Alzheimer-type dementia. R. Hunter *et al.* (A) 13–14
Update on cholinergic therapies for Alzheimer's disease. Vinod Kumar (A) 55
- Amitriptyline:** Brief psychotherapy and amitriptyline in the treatment of 'psychogenic' pain. I. Pilowsky and C. G. Barrow (A) 15
- Amnesia:** Retrograde amnesia, anterograde amnesia and cholinergic depletion. M. D. Kopelman (A) 21
- Anderson, Prof. Edward:** N. Berlyne (C) 202. Prof. Kenneth Rawnsley 5–6
- Annual meeting, 1988 (A)** 35–59. 114–115
- Anthropology:** Joint meeting with the British Medical Anthropology Society
'Lay notions and treatment of psychiatric illness' (A) 8–9
An indigenous conceptualisation of depression in the West Indies. R. Littlewood (A) 9
Establishing community services for drug abusers. Prof. F. A. Jenner (A) 9
Establishing a drug intelligence service. Ms S. Tober (A) 9
Lay models of psychotropic medication, in a sample of London patients. C. G. Helman (A) 8
Traditional treatment of mental illness in northern Nigeria. M. Last (A) 9
- Anxiety disorders:** Tavistock Clinic symposium on 'The anxiety of beginnings', 4–6 August 1987. Mark Aveline 134–135
Treatment of somatic symptoms in anxiety. David M. Clark (A) 39

- Apartheid:** New College group 511
- Appointments:** Brockless, J. B. P. 18. Bullard, H. 18. Chaparala, B. C. 18. Chaudhary, A. K. 18. Coid, J. W. 189. **Correction** 349. Darwish, A. K. 18. Harding, J. S. 18. Ibrahimi, G. S. 189. Isaacs, S. 189. James, Delyth 118. Jenkins, M. E. 18. Johnson-Sabine, E. C. 189. Katwala, J. 189. Meehan, J. P. 189. Missen, M. 18. Packer, T. F. 18. Saleh, B. T. 18. Seneviratana, M. K. 189. Simpson, C. J. 18. Spalding, E. M. 18. Wade, A. 18. White, P. M. 136. Williams, R. J. 18. Wing, *Prof.* John 252
- Archaeology:** Nosocomial archaeology. Douglas A. Spencer (C) 102
- Asylums:** Asylum for the mentally ill in perspective. William L. Parry-Jones 407–410
Need for asylum. David Tait (C) 202–203
- Attachment theory and its relevance for psychotherapy:** Attachment theory and family therapy. J. Byng Hall (A) 22
Mother–infant relationship and the impact of perinatal mortality. S. Bourne (A) 22
Role in psychotherapy of emotional and cognitive communications about attachment experiences. J. Bowlby (A) 22
- Australia:** Aspects of Australian psychiatry (A) 36–37
De-institutionalisation in Australia. I. Ali (C) 198
- Autumn Quarterly Meeting, 1987** (A) 3–15. 30–32
- Awards:** Honours; CBE. Bewley, Thomas 349
Grand Marshal of the National Independence Day Parade. Laughlin, Henry P. 511
Member of the Order of Australia. Chiu, Edmond 511
OBE. Roberts, Julian 349
Merck Prize (North West Division). Germany, Elizabeth 397
Merck Prize for Research in Child Psychiatry. Wilkinson, Simon 24
Merck, Sharp and Dohme First Prize in Psychiatry (1988). Vize, Christine 349
Merck, Sharp and Dohme Second Prize in Psychiatry (1988). Girling, Deborah M. 349
- Bed needs:** Estimating hospital bed numbers. David Curtis (C) 144–146. D. H. Marjot (C) 146. Gyles R. Glover (C) 146–147
How many beds? A survey of needs for treatment and care in an in-patient unit. Frank Holloway *et al.* 91–94
Long-stay beds for the elderly severely mentally ill: a discussion paper. G. Blessed 250–252
Planning for bed needs. Hugh B. G. Thomas (C) 239. *Prof.* Steven Hirsch (C) 239–240
- Belgravian bureaucracy:** Peter Kennedy 180
- Benzodiazepines:** A physician's view of the treatment of benzodiazepine dependence. C. H. Ashton (A) 26
Benzodiazepines and dependence: a College statement. *Prof.* R. G. Priest and Dr S. A. Montgomery 107–109. *Prof.* R. G. Priest, *Registrar* 205. Samuel I. Cohen (C) 241. R. P. Snaith (C) 241–242. Peter Dally (C) 242–243
Group treatment of benzodiazepine dependence. A. Higgitt *et al.* (A) 26
Legal repercussions in prescribing benzodiazepines. Peter Tyrer 190
Mechanisms of benzodiazepine tolerance and dependence. S. E. File (A) 16
Natural history of tolerance in the benzodiazepines. A. Higgitt *et al.* (A) 14
Phenomenology of benzodiazepine withdrawal dependence symptoms. S. Murphy (A) 25
Positive aspect of benzodiazepines. Timothy J. Holden (C) 530
Role of antidepressants v. benzodiazepines in neurotic illness. Eve C. Johnstone (A) 26
Role of the CPN in treating benzodiazepine dependence. J. Marks (A) 26
Usage among the elderly: findings of the Liverpool Community Survey. C. Sullivan *et al.* (A) 13
Use of benzodiazepines. Jose Catalan and Gillian Butler (C) 336. D. D. R. Williams (C) 453–454. Alan B. Eppel (C) 495
Wider use of benzodiazepines. Michael R. Trimble (C) 383–384. Malcolm Weller (C) 384
- Bereavement:** Multiple sudden bereavement—treatment difficulties and strategies. Sean Lynch (A) 58
- Bethlem and Maudsley Hospitals:** Item sheets (B-MIS): the development and reliability of an instrument for routine collection of summary clinical diata. Jeremy Turk *et al.* 422–426
- Bipolar disorders:** *see also* Manic depression
Does lithium increase the dark adaptation threshold of bipolar patients compared with healthy controls? *Prof.* P. A. Carney *et al.* (A) 54
British Journal of Psychiatry: Silver Jubilee. Hugh Freeman. *Editor* 401, 547
- Brunel University:** Link-up between the Tavistock Clinic and Brunel University 118
'Bulletin': Layout of. Andrew R. Johns (C) 29
- Canada:** Canadian qualifications for British psychiatrists. C. Green and S. Manohar (C) 28–29. (C) 202
Observations of mental health care programmes for schizophrenic patients in Toronto. Marion M. Kemp 469–472
Psychiatry of mental handicap in Ontario. Benjamin Goldberg (C) 496–497
- Cancer:** Cognitive therapy in patients with cancer. S. Mooney (A) 39
Liaison psychiatry in a paediatric oncology clinic: A decade of experience and change. Jacqueline Jones 213–215
- Cannabis:** Community-initiated research: a study of psychiatrists' conceptualisations of 'cannabis psychosis'. Roland Littlewood 486–488
- Carbamazepine:** Effects of carbamazepine on sleep in healthy volunteers. J. D. Yang *et al.* (A) 58–59
Neuroendocrine effects of carbamazepine in volunteers. M. Elphick *et al.* (A) 54–55
Response to carbamazepine in neuropsychiatric patients. R. L. Burns *et al.* (A) 55
- Caribbean:** Psychiatry in the Commonwealth Caribbean: a brief historical overview. Frederick W. Hickling 434–436
Trends in suicidal behaviour in a Caribbean island. George Mahy (A) 57
- Castration:** Chemical castration and consent to treatment. John R. Hamilton 493–494
- Casualties:** Casualty psychiatric clinic at the Royal Liverpool Hospital. Hadrian N. Ball and Michael I. Levi 333–334
- Centenary:** High Royds Hospital Centenary 398

- Centres of excellence:** Visits to centres of excellence in mental handicap. Ann Christine Evans 191–193
- Chestnut Lodge Hospital:** Intensive psychotherapy with in-patients at Chestnut Lodge Hospital. Marco C. Chiesa 323–327
- Child psychiatry:** Attitudes of general psychiatrists to child sexual abuse. Bisa Haeger and Joy Dalton 271–272
 ‘Child psychiatry: white elephant, Scotch mist, or medicine?’ David C. Taylor 210–212. Professor of Psychiatry (C) 456. Sebastian Kraemer (C) 456
 Community nurses in child psychiatry. Doreen Thornber (C) 380–381
 ‘Consultation’ workshop for child psychiatrists in training. Peter Reder and Ken Israelstam 216–219
 Development of a multidisciplinary approach to the assessment and management of child sexual abuse in an inner city health district. Alison Hall and Roger J. Harris (A) 51
 Guidelines for the training of general psychiatrists in child and adolescent psychiatry 391–392
 Importance of social workers in the training of child psychiatrists. Mathew Hodes *et al.* (C) 380
 Part-time senior registrar training in childhood and adolescent psychiatry. Ann Gath 368–370
 Teaching medical students a difficult subject—child abuse. Eileen Vizard 267–270
- Children:** Child psychiatric perspectives on the assessment and management of sexually mistreated children 534–540
 Child sex abuse. M. S. Alexander (C) 28. Arnon Bentovim (C) 28
 Child victims of domestic cruelty. J. E. Oliver (C) 141–142. J. G. Howells (C) 336
 Children allegedly killed or injured by nannies. O. V. Briscoe (C) 29
 Hyperkinetic disorder: epidemiology, definition and treatment. Eric Taylor and Seija Sandberg (A) 48–49
 Liaison psychiatry in a paediatric oncology clinic: a decade of experience and change. Jacqueline Jones 213–215
 Outcome of hyperactive children. Geoffrey Thorley (A) 49
 Return of abused children to their parents. John Dunn (C) 290. Karl Asen (C) 290–291. Peter Reder (C) 456–457
 Treatment of child abuse in an in-patient setting. Roger Kennedy 361–366
- Children’s homes:** Consulting to a medium-term residential children’s home: A proposed model. Stephen Isaacs 366–367
- China:** Developments in Chinese psychiatry. G. M. G. McClure 437–439
 Report from the People’s Republic of China. J. H. Henderson 439–440
- Clinics:** Psychiatric casualty clinic: towards better liaison psychiatry. M. A. H. Al-Bachari (A) 12
- Clomipramine:** The efficacy of clomipramine in obsessional illness is independent of antidepressant effect. S. Montgomery and N. Fineberg (A) 3
- Code of Practice:** Code of Practice and compulsory admissions. Anthony White (C) 531–532
- Comments:** Co-ordinated aftercare for schizophrenia—A report of a pilot project. R. G. McCreadie 335
 Comments on the discussion document of the Royal College of Psychiatrists regarding Community Treatment Orders. Lucy Scott-Moncrieff 220–223
- ‘Facts and figures’ and ‘Reviewing the Regional Plans’. David Abrahamson 378–379
 Legal repercussions in prescribing benzodiazepines. Peter Tyrer 190
 Need for asylum in society for the mentally ill or infirm: Consensus statement from the Third King’s Fund Forum. April 1987. David Abrahamson 76–77
 New directions in mental health care evaluation: Report of a workshop. Isaac Marks *et al.* 78
 Proposal to the Griffiths Enquiry into community care from the Interdisciplinary Association of Mental Health Workers 77
 What doctors know about alcoholism. Brian D. Hore 140
- Community care:** Assessing needs in the community, how long is a piece of string? Andrew Quarry and Rosemary Rayner 19–21
 Caring for a community: briefing papers 547
 Co-ordinated aftercare for schizophrenia—A report of a pilot project. R. G. McCreadie 335
 Community based programmes for mental illness. Paula H. Salmons (C) 381–382
 Community Mental Health Centres Conference. A. P. Boardman *et al.* 61–62
 Community treatment service for sex offenders: an account of two years. Eric F. Mendelson *et al.* 416–419
 Community-based programmes on intervention in mental illness. Michael T. Haslam (C) 196–198
 Conference report: homelessness, outreach and advocacy: current themes in North American community psychiatry. Graham Thornicroft 286–288
 Conflicts and context in managing the closure of a large psychiatric hospital. Lorna McKee 310–319
 Coordinating care. Homepack: the use of a computer in community care. D. N. Martindale *et al.* 370–372
 Guidelines for regional advisers on consultant posts in hospital and community rehabilitation 109–110
 Is there a role for community clinical medical officers in mental handicap? D. A. Spencer (C) 106. D. Chakraborti (C) 245
 Management of potentially dangerous patients in the community. Enda Dooley 419–421
 Maudsley daily living programme: a controlled cost-effectiveness study of community-based versus standard in-patient care of serious mental illness. Isaac Marks *et al.* 22–24
 Medicine of misery: a personal account. Lynne Jones 331–332
 New directions in mental health care evaluation: report of a workshop. Isaac Marks *et al.* 78
 Proposal to the Griffiths Enquiry into community care from the Interdisciplinary Association of Mental Health Workers 77
 Royal College of Psychiatrists’ comments on the Griffiths Report: ‘Community care: Agenda for action’ 385–388
 South Camden schizophrenia survey: an experience of community-based research. Chris Pantelis *et al.* 98–101
 Training implications of the move towards community oriented treatment. David Julier (C) 384
- Community nurses:** Community nurses in child psychiatry. Doreen Thornber (C) 380–381
 Community psychiatric nurses in primary care: consumer survey. Femi Oyeboode *et al.* 483–485

- Community treatment orders:** Comments on the draft discussion document of the Royal College of Psychiatrists regarding community treatment orders. Lucy Scott-Montcrieff (Solicitor) (A) 50, 220–223
Community treatment orders: the discussion document. A. R. M. Freeman (A) 50
Compulsory community care—a therapeutic dilemma. P. Rohde (A) 49–50
Proposed community treatment order. B. H. Fookes (C) 454
- Compulsory Treatment Orders:** Discussion document of the Royal College of Psychiatrists. Seymour Spencer (C) 147
- Computer programmes:** Computerised lithium clinic diary system. Paul McMahon and Andrew Brown (C) 528
Coordinating care. Homepack: the use of a computer in community care. D. N. Martindale *et al.* 370–372
- Conference reports:** Association of University Teachers of Psychiatry—Fourth conference on teaching dynamic psychotherapy. Anthony Ryle 375–377
Community Mental Health Centres conference. A. P. Boardman *et al.* 61–62
Homelessness, outreach and advocacy: current themes in North American community psychiatry. Graham Thornicroft 286–288
International Physicians for the Prevention of Nuclear War: VIIth World Congress, Moscow, May/June 1987. Tharu Naidoo 62–63
ISSTIP (International Society for the Study of Tension in Performance) conference on medicine and the performing arts. P. Grahame Woof 193–194
Management and comprehensive psychiatry. Ian B. Cookson 377–378
Tavistock Clinic symposium on ‘The anxiety of beginnings’, 4–6 August 1987. Mark Aveline 134–135
Wessex Drugs Forum symposium on the role of prescribing in the treatment and rehabilitation of drug misusers. Philip M. Fleming 135–136
- Connolly, John:** John Connolly (1794–1866): the return of the wanderer. Henry R. Rollin 73
- Consent to treatment:** Chemical castration and consent to treatment. John R. Hamilton 493–494
- Consultant posts:** Applying for consultant posts. Harsha Ratnasuriya (C) 66
Consultant jobs in mental handicap: dead end posts? B. N. Nwulu 279–281. Leila B. Cooke (C) 452. U. J. Dey (C) 452
- Corrections:** **Appointments.** Coid, J. W. 349
Discussion document 246–249. Council approval 392
Distinction Awards in psychiatry (England and Wales) 460
John Dunne Medal 212, 349
- COSTAR programme:** The needs for care of long-term seriously mentally ill patients served by COSTAR programme in Baltimore. William Breakey and Graham Thornicroft (A) 59
- Courses:** *Concepts of psychoanalysis* 236
The psychoanalytic movement 236
- Cruelty:** Child victims of domestic cruelty. J. E. Oliver (C) 141–142. J. G. Howells (C) 336
- Cruse:** New title 24
- Data Protection Act:** Prof. R. G. Priest, Registrar 204
- Day hospitals:** Consumer survey of a mental health resource centre. Kate Sackett and Femi Oyeboode 282–283
Marlborough Family Day Unit. K. Asen 88–90
Non-attendance at a psychiatric day hospital. F. A. O’Neill and A. Kerr (A) 50
Psychiatric day hospitals: length of stay—a focus for concern. M. Conway *et al.* (A) 12
- Deaths:** Ahrenfeldt, Robert Henry 557. Ashgar, Ghulam Ali 253. Barnes, John Francis 253. Bickmore, Denis Michael Herbert 253. Bostock, John 117. Brooke, Eileen Minnie 345. Carter, Ivan Edward 253, 345. Clarke, John Francis Gabriel 117. Connolly, Michael Alfred Francis 117. Coyne, William Joseph 117. Cutner, Margot 117. Davies, Isaac John 557. Elkins, Barry 298. Fairburn, Anthony Clare 557. Finlayson, John Richard Terrell 345. Franklin, Lloyd Milner 117. Grey, Paul Ouranovsky 253. Hamilton, Max 557. Harris, Geoffrey Fuller 75. Hawkins, John Roger 75. Hems, Loic 345. King, George Macmillan 117. Kreeger, Irving Seymour 345. Leahy, Michael Raymond 117. Leonhard, Karl 557. Liddawi, Samir Qustandi 117. Loughran, John Morris 298. Moyes, Isabel Catherine Archibald 253. Muckle, Thomas Aubrey 345. Penton, James Christopher 117. Perinpanayagam, Mahenthiran Selveraj 557. Pozner, Harry 345. Ricks, Derek Malcolm 253. Roper, Olive Nettie 557. Rowley, Harold Eric 253. Rowley, Julius Louis 117. Seidel, Ulric Paul 557. Shapiro, Alexander 253. Smellie, Archibald 345. Taylor of Harlow, *The Lord* 253. Wilkie, Richard Stewart 557. Wollen, Waclaw, MBE 557.
- Dementia:** *see also Alzheimer’s disease*
Nutritional status in senile dementia. A. Burns (A) 55–56
- Depression:** Cognitive theories of depression. J. M. G. Williams (A) 24
Depression, cognitive disorder and melatonin profile. Prof. A. Verkoba Rao and Prof. S. Parvathi Devi (A) 30
Depression in elderly residents of Part III homes: a description and intervention study. David Ames *et al.* (A) 46
Effect of DSM-III-R on clinical practice and research in depression. David J. Kupfer and Ellen Frank (A) 40
Foretelling the future for depression. A. S. Lee (A) 17
Gender, social support and the course of depression. T. S. Brugha (A) 45
Hypothalamic and pituitary peptides in major depressive disorder. I. N. Ferrier (A) 35
Is depression a vitamin deficiency disorder? M. W. P. Carney *et al.* (A) 30
Neuroendocrine and clinical aspects of primary depression in old age. Zolten Rihmer (A) 45–46
Neuroendocrine studies in depression. S. Checkley (A) 24
Parkinsonism, depressive illness and seizure disorders: the role of brain MAO-B activity. Prof. M. H. B. Youdim (A) 17–18
Performance of the dexamethasone suppression test in depressive illness according to ICD and DSM-III classification systems. Brian Harris and Sarah Watkins (A) 53
Pharmacokinetics of antidepressants in the elderly. Prof. A. C. Altamura (A) 47
Pituitary and adrenal responses to human CRF in major depression. H. W. Griffiths *et al.* (A) 30

- Postnatal depression and hormone profiles. B. Harris *et al.* (A) 29
- Predictors of response of real versus simulated ECT in depressed patients. E. C. Johnstone (A) 38
- Psychological approach to the management of depression in old age. S. M. Benbow (A) 46
- Refractory depression in old age. Cornelius L. E. Katona (A) 46–47
- Suicidal ideation as a presenting complaint: is it associated with depressive illness? C. J. Hawley *et al.* (A) 56–57
- Deprivation:** Extent of the transmission of deprivation. *Prof.* I. Kolvin (A) 18–19
- Discharge criteria:** Clarifying the criteria for discharge from an in-patient unit. T. Jaffa (A) 51
- Discussion documents:** Comments on the discussion document of the Royal College of Psychiatrists regarding Community Treatment Orders. Lucy Scott-Moncrieff 220–223
- Long-stay beds for the elderly severely mentally ill: A discussion paper. G. Blessed 250–252
- Role, responsibilities and work of the consultant forensic psychiatrist: a discussion document 246–249. **Correction** 392
- Disfigurement:** Disfigurement: perceived and actual. Christine Piff 35
- 'Domiciliary visits':** R. M. Fraser (C) 384
- Dothiepin:** Alternative use for dothiepin. Alan Byrne (C) 532
- Down's syndrome:** Antenatal diagnosis of Down's syndrome. Joan Slack (A) 41–42
- Drug addiction:** Care of the pregnant drug addict. Ann Daley (C) 200–201. Christopher S. Thomas and Madelin Osborn (C) 201. Diana Riley (C) 201–202
- Effectiveness of methadone withdrawal treatment in pregnant drug addicts. Diana Riley (A) 55
- Drugs:** *see* Amitriptyline, Benzodiazepines, Cannabis, Carbamazepine, Clomipramine, Dothiepin, Lithium, Methadone and Tetrahydroaminoacridine
- Drunkness:** *see also* Alcoholism and Intoxication
- Assessment of drunk patients. Kevin Healy (C) 104–105. C. M. Haw *et al.* (C) 105. Julius Merry (C) 294. J. Connolly (C) 497
- DSM-III-R:** DSM-III-R and ICD-10. Robert I. Spitzer (A) 40
- Effect of DSM-III-R on clinical practice and research in depression. David J. Kupfer and Ellen Frank (A) 40
- Eating disorders:** Eating disorders among Asian girls in Bradford. D. B. Mumford and A. M. Whitehouse (A) 33
- Hidden eating disorders in Scottish psychiatric in-patients. A. M. Whitehouse *et al.* (A) 15
- ECT:** ECT: are standards in decline/an EEG study. Allan Scott *et al.* (A) 53–54
- ECT—does it work? *Prof.* Sydney Brandon (A) 38
- ECT custom and practice. J. Pippard (A) 37. John Pippard 473–475
- ECT practice-failed seizures. Siobhan Barry and Marcus G. T. Webb (C) 102
- ECT and schizophrenia. Pamela J. Taylor (A) 38–39
- ECT in the United States in the 1980s. *Prof.* Max Fink (A) 37–38
- History of ECT. J. L. Crammer (A) 37
- Predictors of response of real versus simulated ECT in depressed patients. E. C. Johnstone (A) 38
- Education Act 1981.** 72

Preventing mental illness. Jennifer Newton (MIND) 302
Psychiatry and psychobiology 236
Understanding panics 236
Women's problems with alcohol and other drugs: Improving our response 302

- Puerperal disorders:** Nosology of the puerperal mental disorders. Prof. I. F. Brockington (A) 18
Postnatal depression and hormone profiles. B. Harris *et al.* (A) 29
- Questionnaires:** *see also Incident forms, Inventories, Item sheets and Rating scales*
Royal Prerogative? Stephen P. Tyrer (C) 340
- Rating scales:** Psychiatric rating scales: a breakthrough or a breakdown? Prof. D. Bobon (A) 3
- Rawnsley, Kenneth:** In conversation with Brian Barraclough Part I 2–12. Part II 42–51.
- Rees, Linford:** In conversation with Hugh Freeman 354–360
- Regional advisers:** Guidelines for regional advisers on consultant posts in hospital and community rehabilitation 109–110
- Regional plans:** 'Facts and figures' and 'Reviewing the Regional Plans'. David Abrahamson 378–379
- Registrars:** Research as a registrar. A. Markantonakis (C) 382. Prof. A. C. P. Sims, *Dean* (C) 382
- Rehabilitation:** The Glasgow rehabilitation survey. M. G. Livingston and A. Bryson (A) 12
The Scottish Psychiatric Rehabilitation Interest Group (SPRIG): A practical solution. Wanda Hudson 373–374
- Relaxation therapy:** Anxiety reduction using fragrances. J. R. King (A) 58
- Remand provisions:** The use of the remand provisions in the 1983 Mental Health Act. Adrian Grounds 125–126
- Research:** Family therapy research: a challenge and a proposal. Bryan Lask 489–490
Physician liability for treating mentally incompetent patients: the views of one American lawyer. Allan B. Morrison 520–522
Research register: Psychiatric hospitals and community care 457
Research as a registrar. A. Markantonakis (C) 382. Prof. A. C. P. Sims, *Dean* (C) 382
Squibb Travelling Fellowship: Report on a trip to the United States to do research. Carol Fitzpatrick 449–451
- Reviews:** *A place of safety: MIND's research into police referrals to the psychiatric services.* Anne Rogers and Alison Faulkener (John Dunn) 158–159
Changing futures: Housing and support services for people discharged from psychiatric hospitals. Don Braisby, Rose Echlin, Steve Hill and Helen Smith (R. G. M. McCreadie) 300
Community care: Agenda for action. A report to the Secretary of State for Social Services. Sir Roy Griffiths (J. K. Wing) 346–347
Consuming psychotherapy. Ann France (Mark Aveline) 462
Coping with stress. G. Wilkinson (S. Brandon) 301
Creating community mental health services in Scotland. Volume I: The issues. Volume II: Community services in practice. Nancy Drucker (Ed.) (A. A. McKechnie) 157–158
Current opinion in psychiatry. Vol. I, No. 1, Jan/Feb 1988 (John Crammer) 347–348
ECT pros, cons and consequences: A MIND special report (Sydney Brandon) 508
Elsie—a person of no importance. Joyce Wilkins (Tom Arie) 510
Focus on restraint: guidelines on the use of restraint in the care of the elderly. The Royal College of Nursing (Brice Pitt) 508–510
'Goodbye to all that?': re-thinking the politics of mental health. Socialist Health Association (Peter Kennedy) 508–510
Living with schizophrenia. Jackie Ferris and Roma Byer (Digby Tantam) 78–79
Mental hospital closures—the way forward? Kathleen Jones (David Abrahamson) 38
New directions in mental health care evaluation. I. Marks, J. Connolly and M. Muijen (David Goldberg) 300–301
Psychiatric beds and resources: Factors influencing bed use and service planning: Report of a Working Party of the Section for Social and Community Psychiatry of the Royal College of Psychiatrists (Chairman S. R. Hirsch) (N. Kreitman) 299
Psychological problems: Who can help? Hilary Edwards (Greg Wilkinson) 157
Teaching psychotherapy in contemporary psychiatric residency training. Committee on therapy of the Group for the Advancement of Psychiatry (Mark Aveline) 37
The presentation of depression: current approaches. P. Freeling, L. J. Downey and J. C. Malkin (Eds) (T. J. Fahy) 156–157
The rights of mentally ill people: MRG Report No. 74. Chris Hegginbotham (Sidney Levine) 37–38
Richmond Report: De-institutionalisation in Australia. I. Ali (C) 198
RMOs: (Responsible Medical Officers). Erosion of clinical autonomy of RMOs. U. J. Dey (C) 382–383
Robinson, Kenneth: (Minister of Health, October 1964–October 1968) in conversation with Hugh Freeman 258–262
Rotational schemes: Trainees Forum: Training perspectives in two neighbouring rotational schemes in psychiatry. Jonathan McWilliam and Charles Morris 16–18
Royal College: 25th anniversary of the *British Journal of Psychiatry* 547
Alcoholism. A consensus statement on a better response to alcohol related problems prepared at a meeting held on 6 November 1987 at the Royal College of Psychiatrists 33–34
Benzodiazepines and dependence: a College statement. Prof. R. G. Priest and Dr S. A. Montgomery 107–109. Prof. R. G. Priest, *Registrar* 205.
Books: Books suitable for a psychiatric library 115
Donations to the College Library 296
Land Transactions Handbook 295
Caring for a community: briefing papers 547
Child psychiatric perspectives on the assessment and management of sexually mistreated children 534–540
Consultant based services: a discussion document. J. Higgins 548–551
Data Protection Act. Professor R. G. Priest. *Registrar* 204
Defensive psychiatry: Report of the 1988 Trainees' Forum. Andrew R. Johns 458–459
Discussion document. The role, responsibilities and work of the consultant forensic psychiatrist 246–249
Disfigurement: perceived and actual. Christine Piff 35
