1999 Annual General Meeting

28 June – 2 July 1999

Working together towards the Millennium: a vision of a shared future.

This year's meeting will be the first in which the college has concentrated its energies into a single Annual Meeting. The programme has been developed by a truly inter-faculty organising committee and, as a result, this flagship meeting will embrace the whole College community. Every discipline and specialty is represented in the programme, and it is our hope that all members of the College will be able to benefit from sessions which are relevant to their interests and clinical practice and form opportunities for interdisciplinary discussion.

27th May: Deadline for conference cancellation at low penalty and deadline for guaranteed accommodation. After this date hotel bookings will be wait-listed and placed as availability occurs by the Birmingham International Convention Centre.
