

Annual General Meeting

The 74th Annual General Meeting will be held in the Meeting Rooms of the Zoological Society of London, Regent's Park, London NW1, on **Wednesday, July 5 1978** at 6pm. The speaker will be Charles de Haes, Director General of the World Wildlife Fund International. *The Business of Extinction*, a 50-minute film on international trade in wildlife, will be shown. A wine and cheese supper will be served.

Agenda

1. Minutes of the 1977 Annual General Meeting
2. Presentation and discussion of Annual Report
3. Presentation and discussion of the Accounts and Auditors' Report
4. Election of Officers
5. Election of Vice-President
6. Election of Council Members
7. Vote of thanks to Zoological Society of London.

Council recommends that the following members should be re-elected as Officers of the Society for 1978-79:

President Professor Lord Zuckerman OM KCB DSc FRS
Chairman of Council Sir Peter Scott CBE DSc
Vice-Chairman of Council Lord Craigton PC CBE
Honorary Treasurer Ian D. Malcolmson TD
Honorary Secretary Richard Fitter
Honorary Editor Maisie Fitter

The following member is proposed for election as Vice-President:

Dr Harold J. Coolidge (USA)

Three members of Council retire at the Annual General Meeting and are not eligible for re-appointment for one year:

Jeffery Boswall
 Dr Michael Brambell
 Philip Wayre

Council has appointed the following to fill the vacancies and their names are submitted for confirmation:

J. M. Knowles
 Dr R. D. Martin
 The Hon. A. Tryon

Annual Report for 1977

Vice-Presidents and Council

It is with great regret that we record the death of Sir Landsborough Thomson CB DSc on June 11 1977. He had been a member of Council since 1958 and a Vice-President since 1963.

Four new members were elected to Council: Lt Col J. P. Grant of Rothiemurchus MBE, who returns for a second term, Lord Dulverton CBE TD, Trustee of the British National Appeal of WWF and well known for his conservation-orientated approach to forestry, and Professor Peter Jewell of Cambridge University, a mammalogist who, together with the fourth new member of Council, David Jones (Senior Veterinarian, London Zoo), has a particular interest in the conservation problems of the Sahel.

Membership

At the beginning of the year the membership totalled 3482. The larger number of deletions and resignations than usual was probably the result of the subscription increase the previous year. At the end of 1977 membership stood at 3199.

Oryx

Three 96-page issues of *Oryx* were published, in February, July and December.

International Meetings

During 1977 FPS was represented by one or other of the Honorary Secretary, Honorary Editor and Assistant Secretary at the following meetings: IUCN Survival Service Commission, Morges, Switzerland, May; and Slimbridge, England, July; IUCN General Assembly, Geneva, April; Convention on International Trade in Endangered Species, Geneva, October; International Whaling Commission, Canberra, Australia, June, and Tokyo, Japan, December.

Oryx 100% Fund

Gifts to the Oryx 100% Fund in 1977 totalled £4827, of which £630 was earmarked for specific projects. In addition £465 was raised for Operation Zebra jointly with the World Wildlife Fund through the *Sunday Times*. This money is earmarked for projects relating to Grevy's zebra. Donations to the Fund were received from the Elvetham Charitable Trust, £1000; St Katharine's Fund, £600; Mrs M. L. Longman, £550; Miss M. E. Gibbs, £500; F. Hammer, £500; F. W. Bernard, £100; Miss W. Felce, £100; Mrs M. J. Hayne, £100; Mrs P. Sheridan, £100; Anonymous, £100; J. B. Constable, £50; E. D. Medcalf, £50; Mrs M. E. L. Nobles, £50; K. Richards, £50; S. Rostron, £44; Mr and Mrs C. J. Cadbury, £30; C. A. Winnington Ingram, £30; Miss M. R. Silverman, £20; Mrs J. M. Watt, £20; and Anonymous, £20. The Fund aided projects in Argentina, Brazil, Central America, Chad, Ghana, Seychelles, Sri Lanka, Tanzania, Thailand, and Zambia.

Legacies and Gifts

Four legacies were received: L. Sherriff, £6500; Lady Anstruther-Gough-

Calthorpe, £1000; Mrs G. H. Soward, £340; Mrs R. E. S. Bell, £100. Gifts of £20 and over included anonymous donations of £2000 and £20; F. Hammer, £200; W. J. Foster, £100; F. W. Bernard, £50; Dr A. A. Spriggs, £50; New Moorgate Trust, £1000; Ernest Kleinwort Charitable Trust, £100, and Ofenheim Charitable Trust, £200.

Otter Project

In 1977 an Otter Haven Project was launched, financed by the Vincent Wildlife Trust, and administered by FPS. The project workers, Angela King and Angela Potter, aim to survey river systems in England and discover suitable areas for establishing otter havens. A report appeared in *Oryx* 14, 2.

Trade Records Analysis of Flora and Fauna in Commerce

FPS continues to administer the IUCN TRAFFIC Group which, early in 1977, moved into a separate office at 1 Marshall St W1. A continuing programme has been developed and adequate funding assured by IUCN. In October, Hazel Robinson joined the staff of TRAFFIC. Tim Inskipp continued his research projects, with grants from FPS, IUCN, WWF, RSPCA and RSPB, including a four-month visit to India to investigate trapping for the cage bird trade. The Chairman, John A. Burton, attended the special working session of the parties to the Washington Convention at Geneva in October, and meetings of the SSC in May and July.

Office Work

In 1977 the flow of correspondence to and from all parts of the world continued to increase. FPS now has over 100 Overseas Consultants in 70 different countries who keep us informed of news and developments in their part of the world. This information is of particular interest to the compiler of the Red Data Book, the Editor of *Oryx* and TRAFFIC. The Society continues to receive a vast selection of journals, all of which are thoroughly scanned. By the end of 1977 the staff were as follows (*part-time): John A. Burton*, Assistant Secretary; David Helton*, Assistant Editor; Mrs Kay Gordon, Office Manager; Miss Vivien Gledhill; Miss Christine Jones; and Mrs Stephanie Waine* (from September). It was with great regret that at the end of the year we said goodbye to Christine Jones, who has joined the Wellcome Institute as an animal technician.

Film Library

In 1977 we received 110 bookings for films, showing to a total audience of over 10,000. This slight reduction from 1976 was in part due to the removal of three films because of general deterioration: *Forest from the Dawn of Time*, *The Silent Watcher* and *The Swallowtail Butterfly*. One new film was added to the Library, *The Woodman and the Wild*, made by Lord Dulverton, an FPS Council Member.

Christmas Cards

Because of large stocks in hand the Society did not produce a new Christmas card. Sales totalled 20,000 and net profit was £671.39.

Members' Meetings

The Annual General Meeting was held on July 5. Professor V. C. Wynne-Edwards, FRS Chairman of the Scientific Authority for Animals, and Professor A. G. Bannikov, Vice President of the Society, were the guest speakers. After a buffet supper *The Passing of the Leviathan* was shown, by courtesy of Anglia Television.

In 1977 three Members' Meetings were held. On February 23 Dr R. E. Stebbings addressed an audience of more than 200 on an expedition to Ecuador to study bats, and Andrew Laurie gave an illustrated talk on Asian rhinos; after a buffet supper *The Last Stronghold*, a film in the FPS Film Library, was shown. On October 26 Dr Robert Olivier, Co-Chairman of the Survival Service Commission's Asian Elephant Group, gave an illustrated talk on Asian elephants, and the 'World About Us' film, *The Elephant Run*, was shown. On November 23 a joint symposium was held with the Conservation Committee of the British Herpetological Society on the natterjack toad, sand lizard, smooth snake and other British amphibians and reptiles.

Auditors' Report

To: The Council and Members of the Fauna Preservation Society

Accounts for the year ended 31st December 1977

We have completed the audit of the books and accounts of the Society for the year ended 31st December 1977 and report thereon as follows:

Life Membership Fund

The balance standing to the credit of the Fund is now £13,739. This is after crediting £1,177 in respect of Life Membership Subscriptions received during the year and transferring £115 to the General Reserve Account which represents the value of subscriptions of those life members whose membership ceased during the year.

Film Purchases – Reserve Fund

To the opening balance of £1,391.96 has been added £520.21 transferred from Income and Expenditure Account. Purchases during the year amounted to £276.02, leaving a balance to be carried forward of £1,636.15.

General Reserve Account

The balance at 1st January 1977 was £68,814.42
to which has been added:

Legacies	7,847.59
Fees of deceased life members	115.00
Profit on sale of Investments	1,159.71

77,936.72

from which has been deducted the excess of Expenditure over income for the year

4,435.95

giving a balance at the year end of

£73,500.77

Red Data Book Account

Receipts received during the year exceeded expenditure by £976.26 from which has been deducted the opening debit balance of £946.17 leaving a credit balance to be carried forward of £30.09.

Investments and Deposits

The total investments and deposits of the Society at 31st December 1977 at cost amounted to £88,773.07, including £4,000 of the Oryx 100% Fund, and the market value at that date was £99,452, showing a net appreciation of £10,679.

Surplus

The surplus of assets over liabilities at the end of the year amounted to £88,906.01 compared with £81,937.21 at the end of the previous year.

Oryx 100 % Fund

The balance at 1st January, 1977 was		5,052.00
to which has been added:		
Donations	5,292.48	
Transfer from General Purposes Account	2,627.08	
Interest	280.00	
	<hr/>	8,199.56
		<hr/>
		13,251.56
Grants made during the year amounted to	4,628.26	
Sundry expenses incurred	41.57	
	<hr/>	4,669.83
		<hr/>
Leaving Balance at 31st December, 1977		£8,581.73
		<hr/>

This balance is represented by £4,000 Local Authority Bonds and £4,581.73 cash at bank.

TRAFFIC Account

To the opening balance of £894 has been added Grants of £6,462.89. Expenditure amounted to £6,828.28 leaving a balance of £528.61 to be carried forward.

Otter Account

Grants received during the period of operation were £4,150.00, and expenditure incurred at £3,920.66 resulted in a balance of £229.34 to be carried forward.

The *Journal of Fish Diseases* is designed for the publication of scientific papers of the highest standard on all aspects of disease in wild and cultured fishes and shellfishes. Its interests include: host-pathogen relationships; studies of fish pathogens; patho-physiology; diagnostic methods; nutritional problems; therapy; epidemiology; descriptions of new diseases. Reports on work in these fields have hitherto been scattered throughout the literature, but the growing interest in fisheries research has stimulated a need for a medium in which its various aspects can be published in a single journal. Although it is devoted principally to the publication of the results of significant research, the journal will also publish occasional review articles, shorter communications and book reviews. The wide geographical distribution and range of expertise of the eminent editorial board reflect the international character of the journal, and the enthusiasm of both potential subscribers and contributors encourages the belief that the *Journal of Fish Diseases* will make a substantial contribution to productive communication between scientists throughout the world.

The *Journal of Fish Diseases* is published quarterly at £18.00 (U.K.), £22.00 (overseas), \$50.00 (U.S.A. and Canada) per annum post free. Subscriptions and requests for specimen copies should be sent to the publishers at the address below

Blackwell Scientific Publications Ltd

P.O. Box 88, Oxford, England

FPS Wildlife Film Library

Unless otherwise stated all films are 16mm in colour with soundtrack. The charge quoted includes VAT. To book a film please write to the Films Officer, FPS, c/o Zoological Society, Regent's Park, London NW1 4RY. Tel: 01-586 0872.
