The Parish Chest

W. E. TATE

A guide for the student of local history (and equally for the amateur) to the wealth of material available in parochial records, with many examples and much practical advice on their interpretation. 21s. net.

From Imperium to Auctoritas

MICHAEL GRANT

An examination of all the bronze and copper coins struck between the time of Julius Caesar and the death of Augustus, and an attempt at their correct attribution. Certain problems of Roman government are reconsidered in the light of this new evidence. 12 pages of plates. £3. 3s. net.
